VICHY WATERS.

THE STATE SPRINGS.

The drawing and bottling is superintended by a State official.

CÉLESTINS The "Celestins" springs owe their name to a convent of Celestines which existed formerly on this spot, and of which traces are still extant. There are three of them : la "Vieille Source," la "Source de la Grotte," and la "Nouvelle Source." Their output is enormous, being very nearly twelve millions of litres per annum. The "Celestins" water is very cool and sparkling. It is a very pleasant beverage, both on the spot and after being bottled and shipped. It is one which can be used with advantage even at a great distance from the springs. These springs are indicated in cases of uric gravel and concomitant renal colics, of gout, diabetes, and the early stages of chronic affections of the urinary organs.

GRANDE-GRILLE This is perhaps the most widely known, and consequently the most frequented Vichy spring. The output of the "Grande-Grille" is enormous ; it suffices not only for the requirements of local consumption and exportation, but also for bathing. **It is specially recommended in cases of liver complaints,** engorgements of the abdominal viscera, and above all hepatalgia, the concomitant of bilious lithiasis. There are instances on record of persons who, being formerly subject to almost daily crises, were completely cured after a treatment of three weeks' duration. They manage to keep in bottled health and fit for work by simply drinking the bottled water, which retains its efficacy unimpaired after being kept for several years.

IMPORTANT NOTICE.

In order to avoid spurious imitations and the substitution of other waters sold under a similar label, it is necessary to insist on all labels and capsules of the bottles bearing the name of one of the State Springs, viz. :—

CÉLESTINS, GRANDE-GRILLE, OR HOPITAL,

the only ones which are drawn and bottled under the personal supervision of a Government inspector.

A few Reasons why 

CADBURY'S

* COCOA

Stands first on the list of
Medical Recommendations.

1. It is absolutely Pure Cocoa.
2. It contains all the Delicious Aroma of the Finest Cocoa.
3. It is not reduced in value by the addition of Starch, Sugar, &c.
4. It is specially rich in flesh-forming and strength-sustaining principles.
5. It is a gentle stimulant and sustains against hunger and bodily fatigue, while its value as such is not discounted by the addition of any foreign drugs or chemicals.
6. If required, it can be prepared immediately with boiling water or milk.

PREFACE TO THE FIFTH EDITION.

“THE AUSTRALASIAN MEDICAL DIRECTORY AND HAND BOOK,” first published by me in 1883, is so well known to the Profession that it hardly requires any introduction. The new features in the present edition are the re-insertion of all matters relating to the four *Medical Schools in Australia and New Zealand*, and a complete *Australasian Military and Naval Medical List*, as also a *Remembrancer for the Signing of Certificates in Lunacy*.

To enhance the usefulness of the Local Medical Directory, *leading Specialists in the larger cities have their speciality indicated after their names*, for the convenience of country practitioners who desire to send patients to the metropolitan cities for special treatment.

I have endeavoured to render this edition as free from errors as possible, and any discrepancies which medical men may discover are due to their failure to return to me the form which was sent to every Medical Practitioner in Australasia at the beginning of the year. However, the Editor will be pleased to receive notification of any necessary corrections or additions, also of suggestions for enhancing the practical value of any future edition.

L BRUCK.

SYDNEY, AUGUST, 1900.

The Medical and Surgical **Sanitarium**

The Main Building.

A thoroughly scientific institution for the rational treatment of disease. Only regularly qualified medical men and competent assistants employed. Open throughout the year. The only institution of its kind in Australasia

SPECIAL ADVANTAGES

A genial climate.

The quietness and privacy of home life.

A perfectly healthful dietary of easily digested foods.

The most scientific methods of treating disease.

A thorough system of massage, manual movements, gymnastics, electricity, hydrotherapy.

A complete laboratory for chemical and microscopical investigation.

Well trained nurses and manipulators of both sexes in daily attendance.

THE MEDICAL ACTS OF AUSTRALASIA.

FIJI.

THE LABOURERS' MEDICAL CARE ORDINANCE (1891).

(Ordinance No. 15.)

Medical Districts.—The Governor, by proclamation in the *Royal Gazette*, may declare and appoint any part of the Colony to be a Medical District for the purposes of this Ordinance, and every such proclamation shall state the limits of such district and the date on and after which the provisions of this Ordinance shall be applicable to such district. The Governor may also, by like proclamation, from time to time, as may be expedient, alter the limits of any such district, or on sufficient reason being shown may at any time exempt any plantation in such district from the operation of this Ordinance, or may name a day on and after which any such medical district shall cease to be a medical district under this Ordinance. Any district already proclaimed as a medical district shall be deemed to be a medical district duly proclaimed under this Ordinance.

Appointment of Medical Officers.—The Governor may, from time to time, appoint any Government Medical Officer to be a District Medical Officer for any medical district under this Ordinance, and may transfer any Medical Officer so appointed from any such district to any other medical district, or may order that any such district appointment shall cease and determine.

Duties of Medical Officer.—The Medical Officer of any district as aforesaid shall, in addition to any other duties devolving upon him as a Government Medical Officer, visit every plantation in such district once within such regular periods as may be from time to time determined for the said district by the Chief Medical Officer of the colony, and shall also, when desired in writing by the employer on any such plantation so to do, specially visit any immigrant or native labourer on the said plantation. In every such written request there shall be stated the supposed nature of the injury or illness of such immigrant or native labourer.

Medical Officer's Visit-book.—It shall be the duty of the District Medical Officer on the occasion of each of his periodical visits as aforesaid to any plantation, to make an entry in the District Medical Officer's Visit-book (to be provided by the employer on such plantation) of the particulars specified in the form as prescribed in the case of every immigrant or native labourer examined or prescribed for by him at such visit, and to sign his name at the foot of such entry together with the date of such visit.

Special Visits.—In the case of every special visit made by request as aforesaid, the District Medical Officer shall, together with the other particulars of the case, record the fact that such visit is a special one, and for every such special visit there shall be paid to the Medical Officer by the employer at whose request the visit is made the sum of five shillings if the distance from the residence of the Medical Officer to the plantation visited is under ten miles, or the sum of ten shillings if over ten miles.

Extended Powers.—The powers conferred upon District Medical Officers by any Ordinance relating to immigrants are hereby extended to and shall apply in respect of native labourers, and every District Medical Officer shall exercise any of such powers whenever it shall appear to him expedient and proper to do so.

Employer to Provide Hospital Equipment, &c.—Every employer shall provide and keep on his plantation such drugs, medicaments, medical and surgical appliances, medical comforts, food, sleeping accommodation and nursing as may from time to time appear to the District Medical Officer reasonable for the general use of the immigrants or native labourers on such plantation, and shall furnish each immigrant and each native labourer under medical treatment with such articles, accommodation and nursing aforesaid as may be prescribed by such District Medical Officer. Provided, however, that in the event of any employer believing any demand made under the provisions of this section by a District Medical Officer in respect of supplies for general use to be extravagant or unreasonable, such employer shall forthwith submit his protest in writing to such District Medical Officer, who shall append thereto his reasons for the demand in question and immediately transmit the protest and reasons to the Chief Medical Officer of the colony for decision. Any employer who shall refuse or neglect to provide or to furnish to any immigrant or native labourer any article, accommodation or nursing as aforesaid when required so to do by the District Medical Officer or Chief Medical Officer, as the case may be, shall, on conviction before a stipendiary Magistrate, be liable to a penalty not exceeding twenty pounds, or in default of payment thereof to imprisonment not exceeding two months.

Hospital Diet Scales.—The employer on any plantation on which there is a plantation-hospital shall, when so required by the Medical Officer of the district, and with his advice and approval, establish a diet scale for regular observance at such hospital, to consist of full-diet, half-diet, dysentery-diet and extras, and may in like manner from time to time alter such diet scale or discontinue its use. But any such full-diet shall always include one or other of the alternative complete daily rations (as the Medical Officer may direct) required to be issued to indentured labourers not in hospital under the provisions of the Ordinances relating to immigrants or native labourers respectively. A copy of such diet scale when so established shall be signed by the employer and by the District Medical Officer, and shall be kept exposed in the hospital for reference.

Medical Officer's Monthly Return.—Every District Medical Officer shall, during the first fifteen days of each month, prepare and transmit to the Chief Medical Officer a return showing as nearly as possible the average daily number of immigrants and native labourers serving on each plantation in his district during the preceding month, the number of cases of each disease and accident admitted into the hospitals of such plantations respectively, and the number and causes of deaths during the same period.

Employers' Half-yearly Return.—Every employer shall, on the first day of January and the first day of July in every year, or within seven days thereafter, make out and deliver to the Medical Officer of the district in which such employer's plantation is situated, a return showing the number of immigrants and native labourers over twelve years of age on such plantation on each day during the preceding six months. And such return, after being countersigned as correct by such District Medical Officer, shall by him be forthwith transmitted to the Receiver-General for registration.

Medical Capitation Rate.—In the month of January in each year, or at the first meeting of the Legislative Council after that date, the Governor, with the advice and consent of the Legislative Council, shall, on the motion of the Receiver-General, determine for each medical district a certain capitation rate not exceeding four shillings for any one year, payable by each employer in respect of the average daily number of immigrants and native labourers over twelve years of age on his plantation during the twelve months ending the thirty-first day of December last past. The sums payable under the provisions of this section shall be paid by such employers to the Receiver-General before the last day of March in each year, and if not so paid may be recovered in a summary manner before any Stipendiary Magistrate at the suit of the Receiver-General. The proceeds of the said rate from each medical district shall be paid over by the Receiver-General to the Medical Officer entitled to such proceeds.

Apportionment of Medical Capitation Rate.—As soon as possible after the seventh day of January in each year the Chief Medical Officer shall furnish to the Receiver-General a return showing the names of the District Medical Officers entitled to receive the proceeds of such rates, and the proportions thereof due to them from each medical district.

Powers of Chief Medical Officer.—The Chief Medical Officer of the colony shall have power to enter upon any plantation on which any immigrant or native labourer is employed, or may be reasonably supposed to be employed; and may require any immigrant or native labourer on such plantation to be produced before him, and may

inspect the state of health of any immigrant or native labourer, and the condition of any dwelling, hospital, or hospital equipment thereon, and of any rations, medicines, or medical comforts supplied, or kept for the purpose of being supplied, to any immigrant or native labourer, and may examine into the general sanitation of any such plantation, and refer to any book, form, or return kept thereon under the provisions of any Ordinance relating to immigrants or native labourers. And any person who shall in any way hinder or obstruct the Chief Medical Officer in the performance of any such inspection or examination, or shall without reasonable excuse neglect or refuse to produce any immigrant or native labourer, or any book, form, return, rations, medicines, or articles of hospital equipment as aforesaid when required by the Chief Medical Officer so to do, shall on conviction thereof before a Stipendiary Magistrate, forfeit and pay any sum not exceeding fifty pounds, and in default thereof be imprisoned for any term not exceeding six months.

Medical Attendance to Labourers.—Any person having resident in his service or employ within any medical district any immigrant or any native labourer in respect of whom capitation rate is not leviable, or having resident in his service or employ in such district any individual of the native race of the colony, not under a contract of service shall provide such immigrant and such native under a contract of service or otherwise, as the case may be, with sufficient medical attendance and with suitable accommodation, and such medicine, medical comforts and nursing as may be ordered by any Medical Officer.

NEW SOUTH WALES.

MEDICAL WITNESSES (1838).

(1 Vic., No. 3.)

Coroner's Inquests.—Whenever upon the holding of any Coroner's Inquest, or upon the holding of any inquiry by a Justice of the Peace, touching the death of any person, it shall appear to the Coroner or Justice that the deceased person was not at or immediately before his death attended by any legally qualified Medical Practitioner, such Coroner or Justice may issue a summons for the attendance, as a witness at such inquest or inquiry, of some legally qualified Medical Practitioner in actual practice who shall reside near to the place where such inquest or inquiry is holden, but that where the deceased person was attended by any such Practitioner, the Coroner or Justice shall issue a summons for his attendance only, or if the deceased was attended by more than one such Practitioner, the Coroner or Justices may cause all or any of them to be summoned at his or their discretion.

Post-mortem Examinations.—The Coroner or Justice may, at any time before the termination of the inquest or inquiry, direct any legally qualified Medical Practitioner to perform a *post-mortem* examination of the body of the deceased, provided that, if in any case it appear to the Coroner or Justice that the death of such deceased person was probably caused by the improper or negligent treatment of any Medical Practitioner or other person, then such Practitioner or other person shall not be allowed to perform or assist at any such examination, although he shall in every such case be allowed to be present thereat.

Additional Medical Evidence.—Whenever it shall appear to the Coroner, or to a majority of the Jury at any such inquest, or to the Justice at any such inquiry, that the cause of death had not been satisfactorily explained by the Practitioners examined in the first instance, the Coroner or Justice shall cause any other legally qualified Practitioner to be summoned as a witness, and shall direct him to perform a *post-mortem* examination whether such an examination shall have been previously performed or not, provided that where such additional evidence is at the instance of a majority of the Jury, it shall be lawful for such majority to name to the Coroner any particular Practitioner whom they wish to attend, and in that case such Practitioner shall be summoned and no other.

Remuneration to Medical Witnesses.—When any legally qualified Medical Practitioner has attended at an inquest or inquiry in obedience to any such summons as aforesaid, he shall for such attendance and for giving evidence be entitled to receive the remuneration of one guinea, and (in addition thereto) for making of any such *post-mortem* examination the remuneration of two guineas; and if the place of his residence shall be more than ten miles distant from the place where the inquest or inquiry is holden, then such practitioner shall be entitled to a sum of one shilling for every mile of such extra distance in addition; provided that no remuneration shall be paid for the performance of any *post-mortem* examination instituted without the previous direction of the Coroner or Justice, and also that where the death shall have happened in any public hospital, gaol, or other public building, no Medical Officer appointed with salary to attend such hospital, gaol, or building, shall be entitled to any such remuneration.

Penalty for Neglecting to Attend.—Where any such summons or order of any Coroner or Justice as aforesaid shall have been served upon any Medical Practitioner to whom the same was directed, or shall have been left at his usual residence in sufficient time for him to obey the same, and he shall nevertheless not obey such summons or order, he shall for such neglect forfeit a penalty of not less than three pounds nor more than twenty, unless he shall at the hearing of the case show a good and sufficient excuse for such neglect.

MEDICAL PRACTITIONERS' ACT, 1898.

(62 Vict., No. 26.)

WHO TO BE DEEMED LEGALLY QUALIFIED MEDICAL PRACTITIONERS.

Qualifications.—The following persons and no others shall, for the purposes of the Coroners' Act, be deemed "legally qualified medical practitioners":—1. Any person who proves to the satisfaction of the "New South Wales Medical Board"—(a) That he is a doctor or bachelor of medicine of some university, or a physician or surgeon licensed or admitted as such by some college of physicians or surgeons in Great Britain or Ireland; or (b) that he has passed through a regular course of medical study of not less than three years' duration in a school of medicine, and that he has received, after due examination, from the University of Sydney, or from some university, college, or other body duly recognised for that purpose in the country to which such university, college, or other body belongs, a diploma, degree, or license entitling him to practise medicine in that country; or (c) that he is a member of the Company of Apothecaries of London, or a member or licentiate of the Apothecaries Hall of Dublin. 2. Any person who is or has been a medical officer duly appointed and confirmed of Her Majesty's sea or land service.

REGISTRATION OF LEGALLY QUALIFIED MEDICAL PRACTITIONERS.

Appointment and Constitution of Medical Board.—1. The Governor shall appoint a board to consist of not less than three members. 2. The members of the board shall be chosen from the medical profession. 3. The Governor shall nominate one of the members of the Board as president. 4. Three members of the board shall form a quorum, and in the absence of the president any other member of the board may preside for the time being. 5. The Governor shall also appoint a secretary to the said board. 6. The name of the board shall be "The New South Wales Medical Board."

Persons Desirous of being Declared Legally Qualified Medical Practitioners to Submit their Diplomas.—Any person desirous of being declared a legally qualified medical practitioner as aforesaid shall submit his degree, diploma, or other certificate or proof of his being so qualified for the examination and approval of the said board, and shall obtain from the said board a certificate of his being so qualified.

Power of Board to Examine.—The said board may examine any person who presents himself for examination or any witness produced before them, and may take a statutory declaration from such person or witness.

Qualified Person Entitled to Certificate from Board.—Every person who proves to the satisfaction of the said board that he is possessed of one or other of the qualifications aforesaid shall be entitled to a certificate from the said board as a legally qualified medical practitioner.

Registration of Legally Qualified Medical Practitioners.—The said board shall cause the names of all legally qualified medical practitioners as aforesaid to be registered in a book to be kept by the said board for that purpose, and shall also cause all the names so registered to be published in the Government Gazette on or about the first day of January annually for the information of coroners, magistrates, and the public.

Penalty for Making False Statement or uttering false Diploma.—Any person who—(a) wilfully, knowingly, and corruptly makes any false statement upon any examination or in any declaration before the New South Wales Medical Board; or (b) utters or attempts to utter or put off as true before the said board any false, forged, or counterfeit diploma, degree, license, certificate, or other document or writing, shall be guilty of a misdemeanour and liable to imprisonment with or without hard labour for any period not exceeding three years.

Penalty for Forging or Obtaining a Certificate under False Representations.—Any person who—(a) fraudulently or by false representations obtains any certificate as a duly qualified medical practitioner under the provisions of this Act; or (b) forges, alters or counterfeits any such certificate; or (c) utters or uses any such forged certificate knowing the same to have been forged; or (d) falsely advertises or publishes himself as having obtained such certificate, shall be guilty of a misdemeanour and liable to imprisonment with or without hard labour for any period not exceeding three years.

NEW ZEALAND.

THE MEDICAL PRACTITIONERS REGISTRATION ACT (1869).

(32 and 33 Vic., No. 51.)

Who may be Registered.—Every person possessed of any one or more of the following qualifications shall be entitled to be registered:—(a) Fellow, Member, Licentiate, or Extra Licentiate of the Royal College of Physicians, London, England. (b) Fellow, Member, or Licentiate of the Royal College of Physicians of Edinburgh, Scotland. (c) Fellow or Licentiate of the King's and Queen's College of Physicians of Dublin, Ireland. (d) Fellow, or Member, or Licentiate in Midwifery of the Royal College of Surgeons of England. (e) Fellow or Licentiate of the Royal College of Surgeons of Edinburgh, Scotland. (f) Fellow or Licentiate of the Faculty of Physicians and Surgeons, Glasgow, Scotland. (g) Fellow or Licentiate of the Royal College of Surgeons of Dublin, Ireland. (h) Licentiate of the Society of Apothecaries, London, England. (i) Licentiate of the Apothecaries' Hall, Dublin, Ireland. (k) Doctor or Bachelor, or Licentiate of Medicine, or Master in Surgery of any University of the United Kingdom of Great Britain and Ireland, or Doctor of Medicine by Doctorate granted prior to August 2, 1858, by the Archbishop of Canterbury. (l) A Medical Officer, duly qualified, of Her Majesty's Land or Sea Service. (m) Any person registered before passing of this Act. (n) Any person who has passed through a regular course of medical study of not less than three years' duration in a school of medicine or surgery, and has received, after due examination, from some university, college, or other body, a diploma, degree, or license other than those before specified, entitling him to practise medicine or surgery, whether within Her Majesty's dominions or not. (o) Any person who shall have been registered as a legally qualified Practitioner in England, Ireland, or Scotland, under any Act of the Imperial Parliament.

Notice of Application.—Any person desiring to be registered shall give notice of his intention to apply for that purpose to the Registrar-General, or Registrar in the towns of Auckland, New Plymouth, Napier, Nelson, Hokitika, Picton, Christchurch, Dunedin, and Invercargill, and shall state in such notice his residence, his qualification, and the date of his intended application, and that his diploma or other evidence of qualification is deposited for public inspection in the office of the Registrar-General or Registrar as the case may be, and shall affix to such notice his name in full.

Publication of Notice.—The diploma or other evidence of qualification shall be produced to the Registrar, and a copy thereof certified by a Justice of the Peace shall

be deposited as stated in the notice, and such notice shall be published in a newspaper circulating near the place of the applicant's residence at least one month before the date of his application, and in the *New Zealand Gazette*.

Registrar to Act Judicially.—The Registrar-General or Registrar may examine any person applying to be registered, and any opponent and any witness who may be produced by either party, and may require any statement to be made on oath, and for that purpose may administer oaths, and if satisfied that such applicant is qualified to be registered under this Act shall enter his name and other particulars in the Register, provided that the Registrar may, if he see fit, in any case abstain from entering the name of such applicant and the particulars of his qualifications until after he shall have transmitted a copy of the same, and the evidence, if any, taken by him thereon, to the Registrar-General and received his direction thereon.

Appeal from Registrar.—If any such applicant as aforesaid, or any person objecting and appearing before the Registrar-General or Registrar as aforesaid, shall be dissatisfied with the decision of the Registrar-General or Registrar, it shall be lawful for him respectively by motion in the Supreme Court to apply to such Court for an order to the Registrar-General or Registrar; and the Court may order that the person applying shall be registered or that he shall be registered conditionally, or upon terms, or may decline to make such or any order, with or without costs.

Fees Payable.—The Registrar-General or Registrar shall receive the undermentioned fees:—(a) On deposit of diploma or other evidence of qualification, 20s. (b) Certificate of Registration (which may be obtained on application), 5s. (c) Alteration of Qualification in Register, 10s. (d) Any other alteration of Register, 5s. (e) Inspection of Register, 2s.

Physicians may Sue.—Every registered person shall be entitled to sue in any court of law in New Zealand for the recovery of his fees or other remuneration for his professional services, whether medical or surgical.

Unregistered Persons not to be entitled to receive Fees.—No person shall be entitled to recover any charge in any court of law in the Colony for any medical or surgical advice, or attendance, or for the performance of any operation, or for any medicine which he shall have both prescribed and supplied, unless he shall prove on the trial that he is registered.

No Unregistered Person to hold Medical Appointment.—No person, unless registered, shall hold any appointment as a physician, surgeon, or other medical officer in any institution supported wholly or in part by public funds for affording medical relief in sickness, infirmity, or old age, or as a medical officer of health; and no certificate required to be signed by any Medical Practitioner shall be valid, unless the person signing the same shall be registered, provided that nothing in this Act contained shall render invalid any such certificate from a duly appointed medical officer of any of Her Majesty's Land or Sea Forces in full pay, although such officer may not be registered under this Act.

Registered Persons may be Erased from Register.—If any person shall have procured himself to be registered by fraudulent representation or declaration, either verbally or by writing, or if any person not entitled to be registered shall have been registered, or if any registered person shall be or shall have been convicted of any felony or misdemeanour in Great Britain or Ireland, or in any of the British Dominions, the Registrar-General and Registrar respectively shall erase the name of any such person from the Register, and such erasure shall be notified by the Registrar-General in the *New Zealand Gazette*.

Not to affect Chemists.—Nothing in this Act contained shall in any way affect chemists, druggists, and dentists.

Penalties.—Any person who shall wilfully and falsely pretend to be, or take or use the name or title of a physician, doctor of medicine, licentiate in medicine and surgery, bachelor of medicine, surgeon, general practitioner, or apothecary, or any name, title, addition, or description implying that he is registered under this Act, or that he is recognised by law as a duly qualified Medical Practitioner, shall for every such offence pay a sum not exceeding fifty pounds. And any person who shall fraudulently or by false representations procure himself to be registered as a Medical Practitioner, or shall forge, alter, or counterfeit any such certificate, or shall utter or use any such forged, altered, or counterfeited certificate, knowing the same to have been forged, altered, or counterfeited, or shall falsely advertise or publish himself as having been registered as a Medical Practitioner, shall be deemed guilty of a misdemeanour, and be liable to imprisonment, with or without hard labour, for any term not exceeding three years.

QUEENSLAND.

MEDICAL ACT (1867).

(31 Vic., No. 33).

Medical Board.—The Governor in Council may appoint a committee consisting of not less than three persons, being legally qualified members of the medical profession, one of whom shall be nominated president, together with a secretary, under the style and description of "Queensland Medical Board," three members to form a quorum, and any person desirous of being declared a legally qualified Medical Practitioner shall submit his degree, diploma, or other certificate or proof of his being so duly qualified, for the examination and approval of the said Medical Board, and on approval shall obtain from the said Medical Board a certificate of his being so qualified. The Medical Board shall also be the Board for registering chemists and druggists under this Act.

Legally Qualified Medical Practitioners Defined.—Any person who shall prove to the satisfaction of the Medical Board that he has passed through a regular course of medical study of not less than three years' duration, in a school or schools of medicine, and that he has received after due examination from some university, college or other body duly recognised for that purpose, in the country to which such university, college, or other body may belong, a diploma, degree, or license, entitling him to practise medicine in that country, or who is or has been a medical officer duly appointed and confirmed of Her Majesty's sea or land service, shall be deemed to be a legally qualified Medical Practitioner, and shall be entitled to registration, and to a certificate as such from the said Board. A person entitled to practise medicine shall mean any physician, doctor of medicine, bachelor of medicine, licentiate in medicine and surgery, surgeon, general practitioner or apothecary, who has obtained a diploma, degree, or license in the manner and of the character therein described.

Persons Registered under the Imperial Act.—Nothing herein contained shall prevent or restrain any person registered under the Imperial Act, "*To Regulate the Qualification of Practitioners in Medicine and Surgery*," from practising according to his qualifications in medicine or surgery, in any part of the colony, or from demanding and recovering in any court of law, with full costs of suit, reasonable charges for professional aid, advice, and visits, and the costs of any medicines or other medical or surgical appliances, rendered or supplied by him to his patients, or be construed to affect the privileges of any person so registered; provided that gentlemen registered under the said Imperial Medical Act, who wish to practise in this colony, shall present to the Medical Board a certificate of such registry, or send to said Board such certificate authenticated by a declaration made before some magistrate for the colony, in whose petty sessions district such practitioner may reside, which declaration shall state that said declarant is duly qualified and is the person mentioned in the certificate thereto annexed, and any person making a false declaration shall be deemed guilty of perjury.

Chemists and Druggists.—No Chemist and Druggist shall obtain a certificate from the Medical Board of this colony, except upon the production of testimonials satisfactory to such board, and stating that he has been engaged for a period of not less than three years in learning pharmacy and chemical affinities, and that he is qualified to compound and dispense medicine, provided that this Act shall not prevent any person from selling uncompounded drugs or patent medicines.

Registered Persons may Sue.—Every person registered under this Act shall be entitled according to his qualifications to practise medicine or surgery, or to compound and dispense medicine in any part of this colony, and to demand and recover in any court of law, with full costs of suit, reasonable charges for professional advice, aid, and visits, and the costs of any medicine, or other medical or surgical appliances supplied by him to his patients or customers. But no person shall be entitled to recover any charge in any court of law for any medical or surgical advice, attendance or the performance of any operation, or for medicines compounded and sold, unless he shall prove that he is registered under this Act; and any person being so registered as aforesaid who shall practise, or act under any qualification other than that for

which he has been registered, shall not be entitled to recover any charge made by him in respect thereof, and no person registered as a chemist and druggist only shall recover any charge as a Medical Practitioner.

Medical Certificates.—No certificate required by any Act from any Medical Practitioner shall be valid unless the person signing the same be registered.

Penalties.—This provision is the same as contained in the "Medical Practitioners' Registration Act," passed in N.S. Wales in 1855 (see page 4).

Fraudulent Registration.—If any person shall wilfully procure or attempt to procure himself to be registered under this Act by any false or fraudulent representation, or declaration, either verbally or in writing, every person so offending, and every person aiding and assisting him therein, shall be guilty of a misdemeanour, and on conviction be sentenced to be imprisoned for any term not exceeding twelve months.

Unregistered Practitioners.—Any person who shall wilfully and falsely pretend that he has been and is duly registered under the provisions of this Act as a Medical Practitioner, or who shall represent himself to be a Medical Practitioner, or use any title or term which may be construed to mean that he is qualified to perform the duties, and at the same time practise, or compound and dispense medicine without being registered, or whom, being registered as aforesaid, shall practise, profess to practise, or act in any manner contrary to his registered qualifications, shall pay for every such offence a sum not exceeding twenty pounds.

MEDICAL WITNESSES.

The "Medical Witnesses Act" (1 Vic. No. 3) passed in New South Wales in 1838, is incorporated with the above Act, and therefore in full force in Queensland. (See page 3).

SOUTH AUSTRALIA.

THE MEDICAL ACT (1844 & 1880).

(7 & 8 Vic., No. 17 and 43, and 44 Vic., No. 193.)

Medical Board.—The Governor shall appoint a Board, consisting of not less than three members, being of the medical profession, one of whom shall be nominated president, together with a secretary, under the style and description of "The South Australian Medical Board;" and any person desirous of being declared a legally qualified Medical Practitioner, as aforesaid, shall submit his degree, diploma, certificate, or other proof, for the examination and approval of the said Medical Board, and shall obtain from the said Medical Board a certificate of his being a legally qualified Medical Practitioner, and for every such certificate there shall be paid to the president of the said Medical Board the sum of one guinea.

Who shall be deemed a Legally Qualified Medical Practitioner.—No person shall be deemed to be a legally qualified Medical Practitioner unless such person shall have proved to the satisfaction of the majority of the members present, not being less than three of the Medical Board, that he is possessed of one of the qualifications mentioned in the Schedule on page 10, and shall have received from the said Board a certificate of his being a legally qualified Medical Practitioner.

Remuneration to Medical Witnesses.—When any legally qualified Medical Practitioner has attended and given evidence at any inquest, inquiry, or trial, in obedience to any summons or subpoena, he shall be entitled to receive the remuneration of one guinea, and (in addition thereto) for the making of any *post-mortem* examination, the remuneration of two guineas, and if the place of his residence be more than ten miles distant from the place where the inquest, inquiry, or trial is holden, then such practitioner shall be entitled to a sum of one shilling for every mile of such extra distance in addition. And until such funds shall be otherwise specially provided for that purpose, it shall be lawful for the Governor to order payment of every such sum by the Colonial Treasurer from the public moneys, provided that no remuneration

shall be paid for the performance of any *post-mortem* examination instituted without the previous direction of the Coroner, Justice, or Court (as the case may be), and provided also, that where the death shall have happened in any public hospital, gaol, or other public building, no medical officer appointed with salary to attend such hospital, gaol, or public building, shall be entitled to any such remuneration.

THE MEDICAL ACT AMENDMENT ACT (1889).

(52 and 53 Vic., No. 471.)

Penalty for False Representation.—Any person who shall falsely pretend to be a legally qualified Medical Practitioner, or who shall use any spurious diploma, or falsely pretend to have or use any diploma as physician, doctor of medicine, licentiate of medicine or surgery, bachelor of medicine, or any other name or title other than that to which such person is actually entitled, or other than that which shall have been *bona fide* granted to him, shall, on conviction, for every such offence forfeit and pay a sum not exceeding fifty pounds. Provided that any person who has heretofore practised medicine or surgery continuously in South Australia for a term of five years shall not be liable to any penalties under this section by reason only of his using, or continuing to use, the title of doctor.

Publication of Practitioners by Medical Board.—The names and qualifications of all legally qualified Medical Practitioners, together with the dates at which their qualifications may respectively have been obtained, and the dates of registration of such Medical Practitioners respectively, shall, on registration, and in the month of January in each year, be published by the Medical Board in the *Government Gazette*.

Certificate of Death.—No medical certificate of the cause of death shall be issued for the purposes of "The Registration of Births and Deaths Act of 1874," except by a legally qualified Medical Practitioner.

No Burial without Certificate.—No burial of any deceased person shall take place without a certificate of the cause of death under the hand of a legally qualified Medical Practitioner, or an order for burial signed by a Coroner of the said province within the meaning of "The Coroners Act, 1884."

Uncertified Deaths.—For the purposes of the said Act, all deaths not certified as in the preceding sub-section mentioned shall be deemed and considered to be uncertified deaths.

Exemption.—The foregoing three paragraphs do not apply to any person who has heretofore practised as a Surgeon, Physician or Medical Practitioner in South Australia for a period of five years prior to the 6th December, 1889, nor to places where there is no legally qualified Medical Practitioner or Coroner of the said province as aforesaid, residing within a distance of five miles.

Certificates may be Cancelled.—If any legally qualified Medical Practitioner shall be convicted of any felony or misdemeanour, or be deprived of his qualifications by the college or body which may have granted the same, the Medical Board may, if they see fit, cancel or suspend the certificate of such practitioner, and such practitioner shall, upon the cancellation or during the suspension of his certificate, cease to be a legally qualified Medical Practitioner.

Examination of Witness.—The Board may question any person who may attend before them, and any witness who may be produced before them, and may take a solemn declaration from such person or witness; and if any person shall wilfully, knowingly, and corruptly make any false statement upon such examination or in such declaration, or shall utter, or attempt to utter, or put off as true before them any false, forged, or counterfeit degree, diploma, testimonium, license, certificate or other document, or shall wilfully procure, or attempt to procure himself to be registered by making or producing, or causing to be made or produced, any false or fraudulent representation or declaration, either orally or in writing, every such person so offending, and every person aiding and assisting him therein, shall be deemed guilty of a misdemeanour, and shall, on conviction thereof, be sentenced to be imprisoned for any term not exceeding three years, and the registration so fraudulently procured shall be cancelled.

Saving of Existing Certificates.—Any person who, previously to the passing of this Act, shall have received from the Medical Board a certificate of his being a

legally qualified Medical Practitioner, shall be deemed a legally qualified Medical Practitioner for all the purposes of this Act.

SCHEDULE.

(1) Any qualification entitling the holder to be registered in the United Kingdom under the Act of the Imperial Parliament of the United Kingdom of Great Britain and Ireland, passed in the 21st and 22nd years of the reign of Her Majesty Queen Victoria, chapter 90, and any Acts amending the same.

(2) Doctor or bachelor of medicine, or holder of a medical degree of any university in Australasia legally authorised and empowered to grant such degree.

(3) The holder of any medical degree, diploma, or license to practise granted by any university, college, or licensing body of any British colony or possession, or by any foreign university, college, or licensing body, and which, in the opinion of the Medical Board, is equal to the qualification entitling the holder to be registered in the United Kingdom under the said Act of the Imperial Parliament of the United Kingdom of Great Britain and Ireland, passed in the 21st and 22nd years of the reign of Her Majesty Queen Victoria, chapter 90. or any Acts amending the same.

(4) Any person who proves to the satisfaction of the Medical Board that he has passed through a regular graded course of medical study of not less than four years' duration in a British or foreign school of medicine, and has received after due examination from such British or foreign university, college or body duly recognised for that purpose in the country to which such university, college, or other body may belong, a medical diploma or degree, certifying to his ability to practise medicine or surgery, as the case may be.

TASMANIA.

THE MEDICAL PRACTITIONERS ACT (1842 & 1867.)

(6 Vic., No. 2, and 31 Vic., No 34).

Court of Medical Examiners.—The Governor may appoint seven persons, one of whom shall be called the President, to form a Court, to be called the Court of Medical Examiners. A quorum of the Court shall consist of not less than three members thereof.

Legally Qualified Medical Practitioners.—No person shall do or perform for fee, or in expectation of receiving a fee, any of the acts following, that is to say : practise as a physician, surgeon, or apothecary, or prescribe to be taken, or administer any medicine, or do or perform any surgical act or operation, unless such person shall have received from the President or some member of the Court of Examiners a certificate that it has been proved to his satisfaction that such person is a doctor of medicine of some university, or that he is a physician, surgeon or apothecary, licensed or admitted as such by some College of Physicians or Surgeons, or by the Society of Apothecaries of London or Dublin, or unless such person shall have obtained, after an examination publicly held before such Court of Examiners, letters testimonial of such Court to practise as a physician, surgeon, apothecary, upon pain of forfeiting for every such offence a penalty or sum not exceeding one hundred pounds. Provided that every doctor of medicine of any university, and every physician, surgeon, and apothecary licensed or admitted as such by any College of Physicians or Surgeons, or by the Society of Apothecaries of London or Dublin, shall be deemed a legally qualified Medical Practitioner, and shall be entitled to receive such remuneration and allowance as given below, notwithstanding that he shall not have received such certificate or letters testimonial as hereinbefore mentioned, provided he shall prove to the satisfaction of the coroner presiding at any such inquest that the attendance, if any, given by him upon the person on whose body such inquest shall be held, was gratuitous, and provided that he shall also prove to the satisfaction of such coroner that he is really and in fact such doctor of medicine, physician, or apothecary, as the case may be.

Government Fees.—For giving evidence at an inquest—One Guinea.

For making a *post-mortem* examination—Two Guineas.

For travelling to the inquest—One shilling a mile one way for each mile after the first ten. Ten miles or under, no fee allowed.

For giving evidence in Court of Law—One Guinea a day.

For travelling to the Court—Eighteen Shillings a day, and coach or railway fare.

Letters Testimonial.—No person shall be entitled to such letters testimonial as aforesaid unless he shall have conformed to any course of education which may be required by the said Court of Examiners, or unless the said Court of Examiners shall be satisfied that the course of education which such person had pursued elsewhere was sufficient to entitle him to examination for such letters testimonial.

Pupils.—Every legally qualified Medical Practitioner may receive as a pupil any person not under the age of sixteen years, who shall have received such a preliminary course of instruction as may be declared by any by-law to be passed by such Court to be sufficient.

The Sale of Drugs.—No person shall vend any medicine or drug without having obtained a license so to do from the President and two or more members of the Court; every person so offending shall forfeit a penalty not exceeding fifty pounds, provided that nothing in this section shall be deemed or taken to prevent any person being a wholesale importer of drugs or medicines, from vending the same by wholesale. Provided also that no person shall incur any penalty by selling medicines or drugs at any place which is distant more than two miles from the place of business of any person who has obtained such license, provided such medicines or drugs shall be sold in unopened packages made up by, and bearing the label of, some person who has obtained such license as aforesaid, and not otherwise. Every legally qualified Medical Practitioner may also vend any medicine or drugs without having obtained any license so to do.

VICTORIA.

THE MEDICAL ACT (1890).

(54 Vic., No. 1118.)

DIVISION I.—MEDICAL BOARD OF VICTORIA.

Medical Board.—The Governor in Council may appoint a committee consisting of at least three members being of the medical profession, one of whom shall be nominated president, under the style of "The Medical Board of Victoria;" and may from time to time remove the said members or any of them, and may upon the removal, death, or resignation of any member of the Board appoint such other person as the Governor in Council shall think fit.

Quorum.—A quorum of the Board shall consist of not less than three members thereof, and in the absence of the president from any meeting of the Board one of the members present may be elected chairman of such meeting.

Registration.—The Board shall from time to time cause the names of all persons certified by the Board to be legally qualified Medical Practitioners within the meaning of Division two of this Act, to be registered with their qualifications and residences in a book to be kept by the Board for that purpose. Copies of the said register shall in the month of January in each year be published in the *Government Gazette*, and shall be published and sold by the Board; and any copy of such register shall be evidence in all courts of law and before all justices and others that the persons therein specified are registered according to the provisions of this Part of this Act.

Examination of Candidates and Witnesses.—The Board may question any person who may attend before the Board as hereinafter mentioned, and any witness who may be produced before the Board and may take a solemn declaration from such person or witness. And if any person shall wilfully, knowingly, and corruptly make any false statement upon such examination or in such declaration, or shall utter or

attempt to utter or put off as true before the Board any false, forged, or counterfeit diploma, degree, license, certificate, or other document or writing, he shall be guilty of a misdemeanour, and being thereof duly convicted he shall be liable to be imprisoned for any period not exceeding three years.

Board may Alter Register and Erase Name Therefrom.—The Board may from time to time make the necessary alterations in the registration of the qualification and addresses of the persons registered under this Division of this Act, and may from time to time write, or cause to be written, a letter to any registered person addressed to him according to his last known address to inquire whether he has ceased to practise or has changed his residence; and if no answer be returned to such letter within the period of six months from the sending thereof the Board may erase the name of such person from the register, and may if they shall afterwards think fit to do so restore the same to the register.

Notice of Death or Change of Residence to be sent to the Board.—Every Deputy-registrar in Victoria, on receiving notice of the death of any Medical Practitioner, shall forthwith transmit such notice by post to the president of the Medical Board in Melbourne; and on receipt of such notice the Medical Board shall erase the name of such deceased Medical Practitioner from the register of legally qualified Medical Practitioners; and any legally qualified Medical Practitioner on changing his residence shall intimate the same to the Medical Board.

DIVISION 2.—LEGALLY QUALIFIED MEDICAL PRACTITIONERS.

Qualification.—Every person possessed or hereafter becoming possessed of any one or more of the qualifications described in the following Schedule, who shall prove on personal attendance to the satisfaction of the Medical Board that the testimonium, diploma, license, or certificate testifying to such qualification was duly obtained by him after due examination from some university, college, or other body duly recognised for such purpose in the country to which such university, college, or other body may belong, shall be and be deemed to be and shall be entitled to registration as a legally qualified Medical Practitioner, and shall receive from the Medical Board a certificate of qualification.

SCHEDULE.

1. Fellow, Member, Licentiate, or Extra-Licentiate of the Royal College of Physicians of London.
2. Fellow, Member, or Licentiate of the Royal College of Physicians of Edinburgh.
3. Fellow or Licentiate of the King and Queen's College of Physicians of Ireland.
4. Fellow or Member of the Royal College of Surgeons of England.
5. Fellow or Licentiate of the Royal College of Surgeons of Edinburgh.
6. Fellow or Licentiate of the Faculty of Physicians and Surgeons of Glasgow.
7. Fellow or Licentiate of the Royal College of Surgeons in Ireland.
8. Licentiate of the Society of Apothecaries, London.
9. Licentiate of the Apothecaries' Hall, Dublin.
10. Doctor or Bachelor of Medicine, or Master in Surgery of some British or Colonial University.
11. Any legally qualified practitioner registered in the United Kingdom under the Acts of the Parliament of the United Kingdom of Great Britain and Ireland, passed respectively in the twenty-first and twenty-second year of Her Majesty intituled "*An Act to regulate the Qualifications of Practitioners in Medicine and Surgery.*" and in the twenty-second year of Her Majesty intituled "*An Act to amend the Medical Act 1858,*" or any Acts amending the said Acts.
12. Medical officers duly appointed and confirmed of Her Majesty's Sea or Land Service.
13. Any person who shall prove to the satisfaction of the Board that he has passed through a regular course of medical study of not less than three years' duration in a British or foreign school of medicine, and has received after due examination from some British or foreign university, college, or body, duly recognised for that purpose in the country to which such university, college, or other body may belong, a medical diploma or degree certifying to his ability to practise medicine or surgery, as the case may be.

Obtaining a Certificate under False Representations.—If any person fraudulently or by false representations obtains a certificate as a legally qualified Medical Practitioner, or shall forge, alter, or counterfeit any such certificate, or shall utter or use any such forged, altered, or counterfeited certificate, knowing the same to have been forged, altered, or counterfeited, or shall falsely advertise or publish himself as having obtained such certificate, he shall be deemed guilty of a misdemeanour, and being thereof duly convicted shall be liable to imprisonment with or without hard labour for any period not exceeding three years.

Persons Unregistered Using Medical Titles.—It shall not be lawful for any person unless registered under Division one of this Act to pretend to be or to take or use the name or title of a physician, doctor of medicine, licentiate in medicine and surgery, master in surgery, bachelor of medicine, doctor, surgeon, medical or general practitioner, or apothecary, or surgeon apothecary, or accoucheur, or licentiate, or practitioner in midwifery, or any other medical or surgical name or title; and every unregistered person so offending shall forfeit and pay a sum not exceeding Fifty pounds, to be recovered in a summary manner before any two justices by any person suing for the same in any court of petty sessions. Provided that any person who shall feel himself aggrieved by any such conviction or order of justices may appeal therefrom to the next court of general sessions of the peace in accordance with the law for the time being in force relating to appeals from justices to courts of general sessions of the peace.

Medical Practitioners may Sue.—Every Medical Practitioner who shall have received such certificate of qualifications as aforesaid shall afterwards be entitled to sue in any court of law within Victoria to the extent of the jurisdiction of such court for the recovery of his fees or other remuneration for his professional services, whether medical or surgical; and it shall be sufficient to state in the particulars of demand the words "for medical services," which shall include every demand for medical or surgical aid, including medicines when supplied by the plaintiff to the defendant; and no person shall be entitled to recover any charge in any court of law for any medical or surgical advice or attendance or for the performance of any operation or for any medicine which he shall have both prescribed and supplied, unless he shall prove on the trial that he is registered in accordance with the provisions of Division one of this Act.

Medical Appointments and Certificates.—No unregistered person shall hold any appointment as a physician, surgeon, or other medical officer in passenger or other vessels leaving any port in Victoria, or in any hospital, infirmary, dispensary or lying-in hospital, or in any lunatic asylum, gaol, penitentiary, house of correction, house of industry, or other public institution for affording medical relief in sickness, infirmity, or old age, or as a medical officer of health; and no certificate required by any Act now in force, or that may hereafter be passed, from any physician, surgeon, licentiate in medicine, surgery, or other medical practitioner shall be valid unless the person signing the same be registered in accordance with the provisions of Division one of this Act. Provided that nothing herein contained shall render invalid any such certificate from a duly appointed medical officer of any of Her Majesty's land or sea forces in full pay, although such officer may not be registered under Division one of this Act.

Chemists or Dentists not Affected.—Nothing in this Division of this Act shall be construed to infringe on the rights and privileges hitherto enjoyed by chemists and druggists or dentists.

DIVISION 3—MEDICAL WITNESSES.

Coroner's Inquests.—Whenever upon the summoning or holding of any coroner's inquest or upon the holding of any inquiry by a justice touching the death of any person, it shall appear to the coroner or justice (as the case may be) that the deceased person was not at or immediately before his death attended by any legally qualified medical practitioner within the meaning of this Act, such coroner or justice may issue a summons for the attendance as a witness at such inquest or inquiry of some legally qualified medical practitioner in actual practice, who shall reside near to the place where such inquest or inquiry is holden; but where the deceased person was attended by any such practitioner, the coroner or justice shall issue a summons for his attendance only; or if the deceased was attended by more than one such practitioner, the coroner or justice may cause all or any of them to be summoned at his discretion.

Post-mortem Examinations.—The coroner or justice either in such summons as aforesaid or by an order in writing may at any time before the termination of the

inquest or inquiry direct any legally qualified medical practitioner to perform a *post-mortem* examination of the body of the deceased, either with or without an analysis of the contents of the stomach or intestines. Provided that if in any case it appear to the coroner or justice that the death of such deceased person was probably caused partly or entirely by the improper or negligent treatment of any medical practitioner or other person, then such practitioner or other person shall not be allowed to perform or assist at any such examination or analysis, although he shall in every such case be allowed to be present threat.

Additional Medical Evidence.—Whenever it shall appear to the coroner or to a majority of the jury at any such inquest, or to the justice at any such inquiry, that the cause of death has not been satisfactorily explained by the practitioner or practitioners examined in the first instance at such inquest or inquiry, the coroner or justice shall forthwith cause any other legally qualified practitioner or practitioners to be summoned as a witness or witnesses at such inquest or inquiry; and shall direct him or them to perform a *post-mortem* examination with or without such analysis as aforesaid, whether such an examination shall have been previously performed or not. Provided that where such additional evidence is at the instance of a majority of the jury, it shall be lawful for such majority to name to the coroner any particular legally qualified medical practitioner or practitioners whom they wish to attend; and in that case such practitioner or practitioners shall be summoned, and no other.

Remuneration to Medical Witnesses.—When any legally qualified medical practitioner has attended at an inquest or inquiry in obedience to any such summons as aforesaid, he shall for such attendance and for giving evidence at such inquest or inquiry be entitled to receive the remuneration of one guinea, and (in addition thereto) for the making of any such *post-mortem* examination the remuneration of two guineas; and if the place of his residence shall be more than ten miles distant from the place where the inquest or inquiry is holden, then such practitioner shall be entitled to a sum of one shilling for every mile of such extra distance in addition. Provided that no remuneration shall be paid for the performance of any *post-mortem* examination instituted without the previous direction of the coroner or justice. Provided also that where the death shall have happened in any public hospital, gaol, or other public building, no medical officer appointed with salary to attend such hospital, gaol, or building shall be entitled to any such remuneration.

Penalty for Neglecting to Attend.—Where any such summons or order of any coroner or justice as aforesaid shall have been served upon any medical practitioner, to whom the same was directed or shall have been left at his usual residence in sufficient time for him to obey the same and he shall, nevertheless, not obey such summons or order, he shall for such neglect forfeit and pay a penalty or sum of not less than Three pounds nor more than Twenty, to be recovered in a summary way before any two justices, unless he shall at the hearing of the case show a good and sufficient excuse for such neglect to the satisfaction of such justices.

WESTERN AUSTRALIA.

THE MEDICAL ACT (1894, AMENDED 1895.)

(58 Vic., No. 36, and 59 Vic., No. 17.)

MEDICAL BOARD.

Medical Board.—For the purposes of this Act, there shall be constituted a “Medical Board,” such Board to consist of not less than three nor more than seven medical practitioners, one of whom shall be the president.

Quorum.—Any three members of the Board shall form a quorum, and the Board may act, notwithstanding any vacancy or vacancies, provided that the number of the Board be not reduced below three.

President.—The president of the Board shall be nominated from time to time by the Governor in Council, and be *ex officio* chairman. In the absence of the president from any meeting, the members present may elect a chairman for such meeting.

Voting Power.—Each member (including the chairman) shall have one vote, and the chairman shall, in case of an equality of votes, have, in addition to his ordinary vote, a casting vote. All questions at any meetings shall be determined by a majority of votes of the members present.

Term of Office.—The members shall hold office for seven years, provided that any member nominated to fill any vacancy caused by death, resignation, or removal shall hold office so long only as his predecessor would have done had no such vacancy occurred.

Members Nominated by Governor.—The members of the Board shall be nominated from time to time by the Governor in Council, who may from time to time remove the members of the Board, or the president thereof, or any of them, and fill any vacancy caused by removal, death, resignation, or otherwise.

Board may Make Bye-laws.—The Board may, with the approval of the Governor in Council, from time to time make and prescribe, amend, repeal, or add to all such rules as to the Board may seem meet for all or any of the following purposes : (a) For determining the evidence to be produced and conditions to be fulfilled by any person applying for registration under this Act. (b) For regulating the manner of keeping and the form of the register. (c) For regulating the meetings and proceedings of the Board and the conduct of the business thereof. (d) For regulating the manner of making and the conduct of the proceedings in connection with complaints or charges against medical practitioners alleged to be guilty of infamous conduct in a professional respect. (e) For generally carrying into effect the objects of this Act.

Providing for Fines and Penalties.—By any such Rules the Board may impose and provide for the recovery of fines and penalties from any person or persons subject thereto, and prescribe a scale of fees to be charged and paid in respect of any application, registration, or other proceeding provided or required under this Act or the Rules. All such rules shall, where the nature of the case permits, state some maximum fine or penalty for any neglect or breach thereof respectively, provided that no such fine or penalty shall exceed ten pounds.

Board may Appoint Officers.—The Board shall have power to appoint and pay, and to dismiss, an examiner or examiners, and a registrar and such other officers as the Board may deem necessary for carrying out this Act and the rules, and all such persons shall hold office subject to the rules.

Board may Sue.—The Board may, in its own name, by its registrar or any person thereunto authorised, in writing under the hand of the president, commence, carry on, prosecute, and defend any action, complaint, information, or proceeding whatsoever, both civil and criminal. Every court of law shall take judicial notice of the signature of the president to any such authorisation ; and in any proceedings by the Board it shall not be necessary to prove the appointment of the members or Registrar of the Board.

Board may Require Attendance of any Person.—The Board may require the attendance of any person who applies for registration, and of any other person or persons, and may examine or question any such persons or any witnesses who may attend before the Board, upon oath or affirmation, and for any such purposes the Chairman may administer any oath or affirmation. Every summons issued by the Board requiring the attendance of any person or the production of any documents, and signed by the Registrar, shall have the same effect as a subpoena *ad test* or *duces tecum*, as the case may be, issued by the Supreme Court in a civil action ; and the obedience thereto or non-observance thereof shall be enforced and punished by a judge in chambers in the same manner as in the case of the disobedience or non-observance of a subpoena issued by the said Court.

REGISTRATION.

Register to be kept by the Registrar.—A register shall be kept by the Registrar, and shall contain the names, addresses, and qualifications of all medical practitioners registered under "The Medical Ordinance, 1869," or hereafter registered under this Act, such register to be open to inspection by any person on payment of a fee not exceeding two shillings and sixpence.

Entries may be Erased.—The Board shall, from time to time, erase any entry which shall be proved to the satisfaction of the Board to have been fraudulently or incorrectly made, as also the names of all medical practitioners who have died, and shall make such alterations and amendments in the register as the Board may from time to time direct, for the purpose of making the same an accurate record of the

names, addresses, and qualifications of the medical practitioners for the time being; and to enable the Registrar to fulfil the duties hereby imposed on him, it shall be lawful for the Registrar to post notice to any medical practitioner, addressed to him according to his address on the register, inquiring whether he has changed his address or residence, and if no answer shall be returned to such notice within the period of six months from the posting thereof, it shall be lawful to erase the name of such person from the register; provided that the name may be restored by the Board.

Persons Entitled to be Registered.—Every person (male or female) shall be entitled to be registered under this Act, who proves to the satisfaction of the Board that

- (a) He is registered under "The Medical Ordinance, 1869," hereby repealed; or that
- (b) He holds any one or more of the qualifications in the following schedule:—
 1. Fellow, Member, Licentiate, or Extra Licentiate of the Royal College of Physicians of London.
 2. Fellow, Member, or Licentiate of the Royal College of Physicians of Edinburgh.
 3. Fellow or Licentiate of the King and Queen's College of Physicians of Ireland.
 4. Fellow or Member of the Royal College of Surgeons of England.
 5. Fellow or Licentiate of the Royal College of Surgeons of Edinburgh.
 6. Fellow or Licentiate of the Faculty of Physicians and Surgeons of Glasgow.
 7. Fellow or Licentiate of the Royal College of Surgeons in Ireland.
 8. Licentiate of the Society of Apothecaries, London.
 9. Licentiate of the Apothecaries' Hall, Dublin.
 10. Doctor or Bachelor of Medicine or Master or Bachelor in Surgery of some British or legally constituted and recognised Australian, Tasmanian, or New Zealand University.
 11. Any legally qualified practitioner registered in the United Kingdom under any Act or Acts of the Parliament of the United Kingdom of Great Britain and Ireland now or hereafter in force.
 12. Medical officers duly appointed and confirmed of Her Majesty's Sea or Land Service.
- (c) The *testimonium*, diploma, license, certificate, or other document testifying to such qualification was obtained, after due examination, from some university, college, or other body duly recognised for such purpose in the country to which such university, college, or other body may belong; and that
- (d) He is a person of good fame and character, and still entitled to practise under the qualification by virtue of which he applies to be so registered in the place where the same was granted.

Names of Practitioners Guilty of Infamous Conduct, &c., to be Erased.—The name of any person registered under this Act, who either before or after he is registered shall be convicted in any of Her Majesty's dominions or elsewhere of any felony or misdemeanour, or of any other offence which, in the opinion of the Board, renders him unfit to practise, or who, after due enquiry, is adjudged by the Board to have been guilty, in their opinion, of infamous conduct in a professional respect, shall be erased from the register.

Register to be Published.—A copy of the register shall, in the month of January in each year, be published by the Board in the *Government Gazette*. Any copy of the register, purporting to be certified as a true copy by the registrar, shall in all Courts of law be *prima facie* evidence that the persons therein named are registered medical practitioners and possess the qualifications therein mentioned; and the absence of the name or the qualification of any person shall be *prima facie* evidence that such person is not so registered or so qualified.

Additional Qualifications.—Every person registered under this Act who shall obtain any higher degree or any qualification other than the qualification in respect of which he is registered, shall be entitled to have such higher degree or additional qualification inserted in the register on payment of such fee as may be prescribed by the rules.

Practitioner entitled to Certificate.—Every medical practitioner shall be entitled to obtain from the registrar a certificate of his registration, in such form as may be prescribed by the rules.

MEDICAL WITNESSES.

Coroner may Summon Practitioner.—Whenever, upon the summoning or holding of a coroner's inquest touching the death of any person, it shall appear to the coroner that the deceased person was not, at or immediately before his death, attended by a medical practitioner, such coroner may issue a summons for the attendance as a witness at such inquest or inquiry of some medical practitioner who shall reside near to the place where such inquest or inquiry is holden.

Post-mortem Examination.—The coroner, either in any such summons as aforesaid or by an order in writing, may, at any time before the termination of the inquest, direct any medical practitioner to perform a *post-mortem* examination of the body of the deceased either with or without an analysis of the contents of the stomach or intestines. Provided that if in any case it appear to the coroner that the death of such deceased person was probably caused partly or entirely by the improper or negligent treatment of any medical practitioner or other person, then such medical practitioner or other person shall not be allowed to perform or assist at any such examination or analysis, although he shall, in every such case, be allowed to be present thereat, and whenever it shall appear to the coroner, or to a majority of the jury at any such inquest that the cause of death has not been satisfactorily explained by the medical practitioner or practitioners examined in the first instance, the coroner shall forthwith cause any other medical practitioner or practitioners to be summoned as a witness or witnesses at such inquest, and shall direct him or them to perform a *post-mortem* examination with or without such analysis as aforesaid, whether such an examination shall have been previously performed or not.

Fees Payable to Medical Witnesses.—The fees to be paid to any medical practitioner for attending at any inquest, and for the making of any such *post-mortem* examination, shall be fixed by scale to be prescribed by the Attorney-General from time to time.

Penalty for Disobedience to Summons—Where any such summons or order of any coroner shall have been served upon any medical practitioner to whom the same was directed, or shall have been left at his usual residence in sufficient time for him to obey the same, and he shall nevertheless not obey such summons or order, he shall, for such neglect, forfeit and pay a penalty or sum of not less than three nor more than twenty pounds, to be recovered in a summary way before any two justices, unless he shall, at the hearing of the case, show a good and sufficient excuse for such neglect to the satisfaction of such justices.

MISCELLANEOUS.

Penalty for False Representations, &c., &c.—Any person who (1) makes or causes to be made any falsification in any matter relating to the register; or (2) knowingly presents or causes to be presented to the Board any forged, false, altered, or counterfeit *testimonium*, certificate, diploma, degree, license, or other document or writing; or (3) personates or represents himself as being the person referred to in any *testimonium*, certificate, diploma, degree, license, document, or writing presented to the Board, or in any certificate granted under this Act; or (4) procures or attempts to procure himself or any other person to be registered under this Act by making or producing, or causing to be made or produced, any false or fraudulent declaration or representation, either verbally or in writing; or (5) wilfully makes any false statement in any declaration, or on any examination or inquiry required or held by the Board under this Act or the Rules; or (6) falsely advertises or publishes himself as having obtained a certificate, or as being registered or qualified under this Act, or permits any such advertisement or publication, shall be guilty of a misdemeanour, and shall, on conviction thereof, be liable to be imprisoned for any term not exceeding three years.

Medical Practitioner only to hold Appointments.—No person other than a medical practitioner registered under this Act shall hold any appointment as a physician, surgeon, or other medical officer in passenger or other vessels leaving any port and registered in any part of Western Australia, or in any public or private hospital or other institution or society for affording medical relief in sickness, infirmity, or old age, or as a medical officer of health, and no certificate required by any Act now or hereafter in force from any physician, surgeon, licentiate in medicine and surgery, or other medical practitioner, shall be valid unless the person signing the same be registered under this Act.

None but Registered Persons may Practise Medicine or Surgery, &c.—From and after the passing of this Act no person other than a medical practitioner shall be entitled to (1) practise medicine or surgery in all or any one or more of its branches; or to (2) advertise or hold himself out as being, or in any manner to pretend to be, or to take or use the name or title (alone or in conjunction with any other title, word, or letter) of a physician, doctor of medicine, licentiate in medicine or surgery, master in surgery, bachelor of medicine or surgery, doctor, surgeon, medical qualified or registered practitioner, apothecary, accoucheur, or any other medical or surgical name or title; or to (3) advertise or hold himself out, directly or indirectly, by any name, word, letter, title, or designation, whether expressed in words or by letters, or partly in one and partly in the other (either alone or in conjunction with any other word or words, or by any other means whatsoever) as being entitled or qualified, able or willing to practise medicine or surgery in any one, more, or all its branches, or to give or perform any medical or surgical service, attendance, operation, or advice.

Penalty in case of breach.—And every person who, for himself or as assistant, servant, agent, or manager, does or permits any act, matter, or thing contrary to this section or any part thereof, shall be liable for each and every such offence, upon conviction, to a penalty not exceeding fifty pounds nor less than two pounds, and all costs of suit.

Exceptions.—Nothing in sub-section (1) contained shall prejudice or affect the lawful business or occupation of a chemist and druggist, or of a pharmaceutical chemist, and nothing in this section contained shall prejudice or affect the lawful business or occupation of a dentist registered under "The Dentists Act, 1894."

Penalty for Unregistered Person Advertising Himself.—Every person who shall exhibit or publish, or cause, permit, or suffer to be exhibited or published any letter, circular, placard, handbill, card, or advertisement of any kind whereby any person advertises or holds himself out contrary to any part of the foregoing section, or attempts so to do, shall be liable for each and every such offence, upon conviction, to a penalty not exceeding ten pounds. Provided that this section shall not apply to any newspaper proprietor or printer publishing such advertisement before written notice from the Registrar that such advertisement is contrary to some part of the said section.

Medical Practitioner may Sue.—Every medical practitioner registered under this Act may, whilst so registered, sue in any Court of law of competent jurisdiction for the recovery of his fees or other remuneration for professional services, whether medical or surgical; and no person other than such registered medical practitioner shall be entitled to sue or counterclaim for set-off or recover any charge or remuneration for any medical or surgical advice, attendance, service, or operation, or for any medicine which he shall have both prescribed and supplied.

Recovery of Penalties.—Except where otherwise expressly provided to the contrary by this Act or the rules, all offences, penalties, fines, or fees under this Act or the said rules, may be tried and determined, enforced, and recovered summarily before any two or more Justices of the Peace in Petty Sessions. All fines, fees, and penalties recovered under this Act or the rules shall be paid and belong to the Board.

MEDICAL SCHOOLS IN AUSTRALIA AND NEW ZEALAND.

[The Degrees in Medicine and Surgery granted by the Australasian Universities are registered upon the Colonial List of the British Medical Register, under section 13 of the Imperial Medical Act of 1886.]

UNIVERSITY OF SYDNEY, NEW SOUTH WALES,

Was established under an Act introduced by W. C. Wentworth, in 1847, which was passed in 1850; the formal opening of this University took place on the 11th October, 1852. A Royal Charter was granted in 1858. The Medical School was opened in March, 1883. The first five graduates in Medicine passed in 1888.

Number of Graduates in Medicine up to 1899.—Doctors of Medicine, 33 (including 17 *a. e. g.*); Bachelors of Medicine, 135 (incl. 7 *a. e. g.*); Masters of Surgery, 107.

Number of Undergraduates in Medicine in 1899.—First year, 44; second year, 35; third year, 29; fourth year, 37; fifth year, 32; total number, 177.

Chancellor.—The Hon. Dr. H. N. MacLaurin, M.D., LL.D. *Vice-Chancellor.*—Sir Arthur Renwick, M.D. *Registrar and Librarian.*—H. E. Barff, M.A. *Esquire Bedell.*—J. M. Purves, M.A. *Assistant Librarian.*—C. Hardy, B.A. *Hon. Sec. Univ. Extension Board.*—A. W. Jose. *Univ. Solicitor.*—Hon. J. Norton, LL.D.

Senate.—H. C. L. Anderson, M.A.; Hon. E. Barton, M.A.; Prof. T. Butler, B.A.; Prof. Pitt Cobbett, M.A., D.C.L.; Hon. W. P. Cullen, LL.D.; Dr. P. S. Jones; E. W. Knox; Prof. A. Liversidge, F.R.S.; Prof. M. W. MacCallum, M.A.; Hon. B. E. O'Connor, M.A.; A. Oliver, M.A.; Hon. Sir Arthur Renwick, M.D.; F. E. Rogers, LL.D., Q.C.; H. C. Russell, F.R.S., C.M.G.; His Honor Mr. Justice A. H. Simpson; C. B. Stephen, M.A.; Prof. T. P. Anderson Stuart, M.D.; R. Teece, F.I.A.

Professors.—Anatomy, J. T. Wilson, M.B.; Biology, W. A. Haswell, F.R.S.; Chemistry, A. Liversidge, F.R.S.; Logic and Mental Philosophy, F. Anderson, M.A.; Physics, J. A. Pollock, B.Sc.; Physiology, T. P. Anderson Stuart, M.D.

Lecturers.—Clinical Medicine, R. Scot Skirving, M.B., and Dr. E. J. Jenkins; Clinical Surgery, C. P. B. Clubbe, M.R.C.S., and H. C. Hinder, M.B.; Materia Medica and Therapeutics, T. Dixon, M.B.; Medical Jurisprudence and Public Health, W. H. Goode, M.D.; Midwifery, J. Graham, M.D.; Diseases of Women, J. Foreman, M.R.C.S.; Ophthalmic Medicine and Surgery, F. A. Pockley, M.B.; Pathology, W. C. Wilkinson, M.D.; Principles and Practice of Medicine, J. C. Cox, M.D.; Principles and Practice of Surgery, C. P. B. Clubbe, M.R.C.S.; Psychological Medicine, C. Ross, M.D.

Demonstrators.—Anatomy, E. Ludowici, M.B.; Biology, J. P. Hill, B.Sc.; Chemistry, J. A. Schofield, F.C.S.; Physics, J. H. D. Brearley, B.Sc.; Physiology, N. Hawker.

Tutors.—Medical, E. J. Jenkins, M.D.; Surgical, H. V. C. Hinder, M.B.

Examiners in Medicine.—The Professors; the Lecturers; W. G. Armstrong, M.B.; F. Barrington, F.R.C.S.; W. Chisholm, M.D.; T. Fiaschi, M.D.; J. M. Gill, M.D.; P. S. Jones, M.D.; S. H. McCulloch, M.B.; Hon. C. K. Mackellar, M.B.; Hon. H. N. MacLaurin, M.D.; C. J. Martin, M.B.; W. O. Maher, M.D.; F. N. Manning, M.D.; F. Milford, M.D.; A. E. Mills, M.B.; A. W. Munro, M.B.; Sir Arthur Renwick, M.D.; E. Sinclair, M.D.; J. A. Thompson, M.D.

Dean of the Medical Faculty.—Prof. Anderson Stuart, M.D.

Curators of Museums.—Museum of Normal and Morbid Anatomy, Sydney Jamieson, M.B.; Macleay Museum of Natural History, G. Masters.

MATRICULATION.

1.—Candidates for any of the Degrees granted by the University shall be required to matriculate before entering upon the prescribed course.

2.—Candidates before being admitted to Matriculation shall have passed one of the Examinations required by the By-laws for admission to the prescribed courses in the different Faculties, or shall have been admitted *ad eundem statum*.

3.—Undergraduates of other Universities may, at the discretion of the Professorial Board, be admitted *ad eundem statum* in this University without examination. Provided always that they shall give sufficient evidence of their alleged *status* and of good conduct.

4.—Any person desirous of attending University lectures may do so without Matriculation, upon payment of such fees as the Senate may from time to time direct.

* * Candidates for Matriculation are required to pass a satisfactory examination in Latin, Arithmetic, Algebra, Geometry, and one of the following subjects—Greek, French, German. Proficiency in writing English is also taken into account.

TERMS.

The Academic year shall contain three terms, that is to say :—LENT TERM : Commencing on the tenth Monday in the year and terminating with the Saturday before the twenty-second Monday in the year, with a recess at Easter not exceeding nine days. TRINITY TERM : Commencing on the twenty-fourth Monday in the year and terminating with the Saturday before the thirty-fourth Monday in the year. MICHAELMAS TERM : Commencing on the thirty-ninth Monday in the year and terminating with the Saturday before the fifty-first Monday in the year.

FACULTY OF MEDICINE.

1.—The Chancellor and Vice-Chancellor, the Fellows of the Senate who are legally qualified members of the medical profession, the Professors and Lecturers in the subjects of the medical curriculum, and the Examiners in Medicine appointed by the Senate, shall constitute the Faculty of Medicine.

2.—The Dean shall exercise a general superintendence over the administrative business connected with the Faculty, and it shall be the duty of the Registrar to summon meetings of the Faculty at such times as may be required by the Dean, provided that upon the written requisition of any three members of the Faculty, the Dean, or in his absence the Registrar, shall convene a special meeting. No question shall be decided at any meeting of the Faculty unless there be present at least five members. In the absence of the Chancellor and Vice-Chancellor the Dean shall act as Chairman at all meetings of the Faculty, but in his absence the members then present shall elect a Chairman from amongst themselves. The Chairman at any such meeting shall have a vote, and, in case of an equality of votes, a second or casting vote. It shall be the duty of the Registrar to attend all meetings, and to record the proceedings.

3.—The Faculty shall meet for the purpose of considering and reporting to the Senate upon such subjects as have relation to the studies, lectures, examinations and degrees in Medicine, and such questions as may be referred to it by the Senate.

4.—Courses of instruction shall be given as directed by the Senate, and, except where otherwise specified, each shall consist either of a long course of one hundred hours' instruction, extending throughout two Terms, or of a short course of fifty hours' instruction, extending throughout one Term ; and, where possible, the long courses shall be given through Lent and Trinity Terms, and the short courses during Michaelmas Term.

5.—Written Class Examinations shall be held during each course of instruction in Lent and Trinity Terms. Students shall not absent themselves from these examinations except upon a medical certificate, and at the end of each course a report of the result, signed by the responsible teacher, shall be presented to the Senate by the Dean. Students who fail to pass the Class Examinations may, at the discretion of the Board of Examiners, be refused admission to the Annual Examination.

6.—There shall be three Degrees granted in the Faculty of Medicine, viz.—Doctor of Medicine (M.D.), Bachelor of Medicine (M.B.), and Master of Surgery (Ch.M.).

7.—Candidates for a Degree in Medicine shall, before admission to the Medical School, produce evidence of having graduated in Arts or in Science, or of having attended the lectures of the First Year of the Arts course and passed the First Year

Examination in Arts, or of having passed the Senior Public Examination, or an Examination equivalent to the Senior Public Examination, in the following subjects, viz., Latin, and one of the three languages—Greek, French, German, and in three of the sections in Group III. of the subjects for which senior candidates may enter, viz., Arithmetic, Algebra, Geometry, Trigonometry, Elementary Surveying and Astronomy, Mechanics, Applied Mechanics.

8.—Candidates for the Degrees of Bachelor of Medicine and Master of Surgery shall attend the following courses of instruction, and present the following certificates :—

- I. In the First Year: Inorganic Chemistry and Practical Chemistry; Physics and Practical Physics; Biology and Practical Biology.
- II. In the Second Year: During Lent and Trinity Terms—Descriptive Anatomy (Junior Course); Physiology (Junior Course). During Trinity and Michaelmas Terms—Practical Physiology (Histology and Experimental Physiology). During Michaelmas Term—Organic Chemistry; Descriptive Anatomy (Senior Course).
- III. In the Third Year: During Lent Term—Practical Physiology (Physiological Practical Chemistry). During Lent and Trinity Terms—Materia Medica and Therapeutics (seventy-five lectures); Regional Anatomy. During Michaelmas Term—Physiology (Senior Course).
- IV. In the Fourth Year: During Lent and Trinity Terms—Pathology; Surgery; Operative Surgery and Surgical Anatomy—a course of twenty-five hours' instruction; Clinical Surgery; Tutorial Surgery. During Michaelmas Term—Practical Pathology; Clinical Surgery; Tutorial Medicine.
- V. In the Fifth Year: During Lent and Trinity Terms—Medicine; Midwifery (fifty lectures); Gynæcology (twenty-five lectures); Applied Logic (twenty lectures); Clinical Medicine (twice weekly); Tutorial Medicine. During Trinity and Michaelmas Terms—Medical Jurisprudence and Public Health. During Michaelmas Term—Psychological Medicine, including Clinical Instruction and at least twelve systematic lectures; Ophthalmic Medicine and Surgery, including Clinical Instruction, and at least twelve systematic lectures; Clinical Medicine (twice weekly).

Provided that the courses of instruction in Ophthalmic Medicine and Surgery and Psychological Medicine may be taken by the student in either the fourth or the fifth year of study, as may from time to time be provided by the teaching regulations of the University. Provided further that the course of instruction in Applied Logic may be taken by the student in any year of study. Before admission to the Final Examination, candidates shall also be required to present the following certificates at least ten clear days before the date of the examination :—(i.) Of Hospital Practice during the Fourth and Fifth Years; (ii.) Of attendance on a class of Practical Pharmacy approved by the Faculty of Medicine, or a certificate showing that the student has been engaged during at least twenty-five attendances of two hours each, in compounding and dispensing drugs in a laboratory or a dispensary or other place for compounding medicines approved by the Faculty of Medicine; (iii.) Of having acted during not less than nine months as Clinical Clerk in the Medical Wards, not less than six months as Dresser in the Surgical Wards, and not less than three months in each of the following capacities in a recognised hospital, viz.: Clinical Clerk and Dresser in the Gynæcological In-patients' Department, student in attendance upon the Surgical Out-patients' Department, student in attendance upon the Medical Out-patients' Department, student in attendance upon the Gynæcological Out-patients' Department; (iv.) Of attendance upon Post-mortem Examinations during at least one Term during the Fourth and Fifth years of the curriculum; (v.) Of attendance on at least twelve cases of Practical Midwifery; (vi.) Of proficiency in vaccination, signed by a legally qualified medical practitioner; (vii.) Of proficiency in the administration of Anæsthetics; (viii.) Of having attended a course of twenty lectures on Applied Logic, and of having passed a satisfactory Class Examination in the subjects thereof.

9.—For the Degrees of Bachelor of Medicine and Master of Surgery there shall be five examinations, viz., one at the end of each year of study. The examination at the end of the First Year shall include Inorganic Chemistry, Physics and Biology. The examination at the end of the Second Year shall include Organic Chemistry and an intermediate examination in Anatomy and Physiology. The examination at the end of the Third Year shall include the entire subjects of Anatomy, Physiology, and Materia Medica and Therapeutics. Before admission to the third

examination, candidates shall be required to present certificates of having dissected during at least six Terms, and of having completed the dissection of every part of the body at least once. The examination at the end of the Fourth Year shall include Pathology and Operative Surgery and Surgical Anatomy. The examination at the end of the Fifth Year shall include Medicine, Clinical Medicine, Surgery, Clinical Surgery, Midwifery, Medical Jurisprudence and Public Health, Psychological Medicine, and Ophthalmic Medicine and Surgery. Provided that the examination in Ophthalmic Medicine and Surgery shall form a part of either the Fourth Year or the Fifth Year Examination, according as the student has attended the course in those subjects in his Fourth or Fifth Year of study.

10.—Before admission to the Final Examination each candidate shall furnish a declaration of having completed his twenty-first year, and also a certificate of good fame and character, signed by two competent persons.

11.—At each examination candidates shall be required to give proof of their knowledge by written answers to the questions set, to be followed by a practical or a *vivâ voce* examination in all subjects whatsoever.

12.—Candidates who have passed all the examinations to the satisfaction of the examiners shall be recommended to the Senate for admission to the Degree of Bachelor of Medicine, and to the Degree of Master of Surgery if they so elect.

13.—Honours at graduation shall depend upon the proficiency shown in the examinations, in accordance with regulations adopted by the Senate from time to time, and the candidate who shall have been most distinguished shall receive a bronze medal, provided that he shall have obtained first-class Honours.

14.—Accredited certificates of attendance on courses of instruction from other Universities and Schools of Medicine recognised by the University of Sydney may, on the report of the Dean, be accepted by the Senate as proof of the attendance on courses of instruction *pro tanto* required by these By-laws. Provided always that no person shall be recommended to the Senate for admission to the Degrees of Bachelor of Medicine or of Master of Surgery by examination unless he shall present certificates of having attended within the University of Sydney, during each of at least six Terms, not less than two courses of instruction in subjects included in the Medical curriculum of the University. In all such cases a Degree in Arts or in Science, or some certificate of general education satisfactory to the Senate, will be required. Every candidate making application under this By-law must present a certificate of good fame and character, signed by two competent persons.

15.—Bachelors of Medicine and Masters of Surgery of this University shall not possess any right to assume the title of Doctor of Medicine.

16.—The Degree of Doctor of Medicine shall not be conferred until after the expiration of two Academic years from the granting of the Degree of Bachelor of Medicine.

17.—Candidates for the Degree of Doctor of Medicine must produce evidence that, after having obtained the Degree of Bachelor of Medicine, they have spent at least two years in Medical or Surgical practice, or that they have been engaged for a like period and in a manner approved by the Faculty in the scientific study of any subject included in the Medical curriculum of the University of Sydney.

18.—Candidates shall be required to pass an examination conducted by means of set papers and by *vivâ voce* interrogations in one division of one of the two following groups:—(i.) Medicine, Surgery, Midwifery and Gynæcology; the examination in each case shall include examination of, and report on, the cases of patients in a hospital, and examination and demonstration of specimens or preparations, normal or morbid. (ii.) The other subjects included in the Medical curriculum of the University. They shall further be required to present, and if called upon to defend, a thesis on some subject included in the Medical curriculum of the University. Five printed copies of the thesis on paper five and a half inches wide and eight and three quarters of an inch deep must be transmitted to the Registrar at least two months before the date fixed for the examination.

19.—The candidate who shall at this examination most distinguish himself shall, if of sufficient merit, receive a bronze medal.

20.—The Degree of Master of Surgery shall not be conferred on any person who has not already been admitted a Bachelor of Medicine.

21.—The fees for the Degrees of Doctor of Medicine, Bachelor of Medicine, and Master of Surgery shall be ten pounds respectively. The fees shall be paid to the Registrar before the examination, and shall not in any case be returned to the candidate.

22.—Candidates who fail to pass the examination for any Degree shall be allowed to present themselves for a second examination for the same Degree without fee, but for every further examination that may be required they shall pay the sum of five pounds.

23.—Undergraduates in Medicine who have passed the subjects of the Second and Third Medical Examinations, and have, in addition, attended an advanced course of and passed an advanced examination in one of the following divisions, viz.:—(a) Chemistry, (b) Physics, (c) Biology, (d) Geology, may, on the report of the Dean of the Faculty of Science, be admitted by the Senate to the Degree of Bachelor of Science.

ADMISSION *Ad Eundem Gradum*.

1.—Admission *ad eundem gradum* in the University may, at the discretion of the Senate, be granted without examination to Graduates of the following approved Universities, that is to say, the Universities of Oxford, Cambridge, London and Durham, the Victoria University, the Universities of St. Andrew's, Edinburgh, Glasgow, Aberdeen and Dublin, the Queen's University of Ireland, and the Royal University of Ireland, lately established in its place; and the Universities of Melbourne, New Zealand and Adelaide; and may also be granted to Graduates of such other Universities as the Senate may from time to time determine; provided always that they shall give to the Registrar, to be submitted to the Senate, sufficient evidence of their alleged Degrees respectively, and of their good fame and character. Upon the approval of his application each candidate shall pay to the Registrar a fee of two pounds for the entry of his name on the University books, in addition to the prescribed fee for his Degree.

THE UNIVERSITY OF MELBOURNE, VICTORIA,

Was established in 1853, at the instigation of Sir Redmond Barry, who also was its first Chancellor; the foundation stone of the buildings was laid on the 3rd July, 1854, and these were opened to students in 1856. Royal Letters Patent were granted on 14th March, 1859. The Medical School was opened on March 3rd, 1862; the first graduate in Medicine (P. Moloney) passed in 1867.

Number of Graduates in Medicine up to 1899.—Doctors of Medicine, 88 (including 44 *a. e. g.*); Bachelors of Medicine, 398 (including 11 *a. e. g.*); Masters of Surgery, 6; Bachelors of Surgery, 335.

Number of Undergraduates in Medicine in 1899.—256; also 39 non-matriculated students.

Chancellor.—The Hon. Sir John Madden, K.C.M.G., LL.D. *Vice-Chancellor.*—The Hon. Sir Henry J. Wrixon, K.C.M.G. *Warden.*—T. P. McInerney, LL.D. *Registrar.*—E. F. a'Beckett. *Assistant Registrar.*—J. F. C. James. *Librarian.*—E. H. Bromby, M.A.

Council.—M. H. Irving, M.A.; A. Morrison, LL.D.; R. L. J. Ellery, C.M.G., F.R.S.; G. H. Fetherston, M.D.; J. H. MacFarland, LL.D.; A. Harper, M.A.; Justice a'Beckett; H. B. Higgins, LL.B.; T. F. Bride, LL.D.; The Bishop of Melbourne; R. M. Smith, C.M.G.; J. Grice, LL.B.; W. Thwaites, C.E.; Justice Hood; J. Williams, M.D.; J. Jackson, M.D.; A. W. Howitt, F.G.S.; H. B. Allen, M.D.

Professors.—Physiology and Histology, G. B. Halford, M.D.; Descriptive and Surgical Anatomy and Pathology, H. B. Allen, M.D.; Chemistry, D. O. Masson, D.Sc.; Biology, W. B. Spencer, M.A.; Natural Philosophy, J. R. Lyle, M.A.

Lecturers.—Physiology and Histology, C. J. Martin, D.Sc., M.B.; *Materia Medica*, Medical Botany, and Elementary Therapeutics, D. Grant, M.D.; Theory and Practice of Medicine, J. Jamieson, M.D.; Obstetric Medicine and Diseases of Women and Children, W. Balls-Headley, M.D.; Forensic Medicine and Psychological Medicine, J. E. Neild, M.D.; Therapeutics, Dietetics and Hygiene, J. W. Springthorpe, M.D.; Surgery, F. D. Bird, M.R.C.S.

Assistant Lecturer.—Physiology (Special Cases), J. W. Barrett, M.D.

Demonstrators.—Chemistry, G. B. Pritchard and W. H. Green, B.Sc.; Biology, T. S. Hall, M.A.; Natural Philosophy, E. F. J. Love, M.A.; Pathology, T. Cherry, M.D.; Histology, W. Fielder, F.R.M.S.; Anatomy, G. A. Syme, F.R.C.S., and G. C. Rennie, F.R.C.S.

Assistant Demonstrators.—Anatomy, W. K. Hughes, M.B.; G. Soilleux, M.B.; J. Box, M.B.; T. H. Boyd, F.R.C.S.; J. Gordon, M.D.; R. H. Russell, F.R.C.S.; P. W. Farmer, M.B.; Janet L. Greig, M.B.; Ida G. M. Halley, M.B.; D. McM. Officer, M.D. Pathology, R. J. Bull, M.B., and T. W. Sinclair, M.B. Physiology, J. F. Wilkinson, M.D.

Dean of the Faculty of Medicine—Professor Allen.

MATRICULATION.

1.—Candidates who shall at one and the same Examination either pass in six subjects at least, or, obtaining Honours in one subject, pass in four others, shall be returned as having passed the Matriculation Examination, provided that not more than two of the following subjects shall be allowed to count for a Pass:—(a) Chemistry; (b) Physics; (c) Elementary Anatomy and Physiology; (d) Botany; (e) Music; (f) Drawing. Provided also that Candidates shall at some Matriculation Examination have passed in the following subjects:—(a) Two of the following—English, Latin, Greek, French, German; (b) One of the following—Geometry, Algebra, Arithmetic.

TERMS.

The Academic Year shall be divided into four Terms—three Terms of Lectures and one Examination Term, namely:—(a) The First Term, commencing on the ninth Thursday in the year, continuing ten weeks, with a recess therein from the Friday before Easter to the Tuesday after Easter, both inclusive; (b) the Second Term commencing two weeks after the expiration of the First Term, and continuing for eight weeks; (c) the Third Term, commencing two weeks after the expiration of the Second Term, and continuing for eight weeks and two days; (d) the Fourth, or Examination Term, commencing on the third Monday after the expiration of the Third Term, and continuing until the day before Christmas Day. Provided that in the Second, Third, Fourth, and Fifth Years of the course for the Degrees of Bachelor of Medicine and Bachelor of Surgery the Terms shall be as follows:—(a) The First Medical Term, commencing on the seventh Thursday in the year, and continuing for thirteen weeks, with a recess therein from the Friday before Easter to the Tuesday after Easter, both inclusive; lectures will commence on the fourth Thursday in this Term; (b) the Second Medical Term, commencing two weeks after the expiration of the First Medical Term, and continuing for ten weeks; (c) the Third Medical Term, commencing two weeks after the expiration of the Second Medical Term, and continuing for ten weeks and two days; (d) the Fourth Medical Term, or Medical Examination Term, commencing on the third Monday after the expiration of the Third Medical Term, and continuing for four weeks.

PRELIMINARY EXAMINATION FOR STUDENTS IN MEDICINE.

1.—No Student shall commence the course for the Degrees of Bachelor of Medicine and Bachelor of Surgery unless he shall have matriculated.

2.—Subject to the provisions of the Statute concerning *ad eundem* admission no Student shall be permitted to commence the course for the Degrees of Bachelor of Medicine and Bachelor of Surgery unless he shall have produced evidence that at some Matriculation or Annual Examination in the University of Melbourne he has passed in Latin, English, Arithmetic, Algebra and Geometry, and in one of the following optional subjects—Greek, French, or German.

3.—No Student shall obtain credit in the University of Melbourne for any portion of the course for the Degrees of Bachelor of Medicine and Bachelor of Surgery completed elsewhere unless he shall have produced evidence that he has passed Examinations approved by the Professorial Board in the six subjects above named.

4.—No Candidate admitted from another University to the status of a Matriculated Student shall be admitted to the First Examination of the course for the Degrees of Bachelor of Medicine and Bachelor of Surgery, unless he shall have produced evidence that he has passed Examinations, approved by the Professorial Board in the six subjects above named.

Note.—The General Council of Medical Education and Registration of the United Kingdom has resolved that, after 1st October, 1895, no certificate of pass in the subjects of Preliminary Examination will be accepted for the registration of any medical student unless it states that all the subjects have been passed at one time.

THE DEGREES OF BACHELOR OF MEDICINE AND BACHELOR OF SURGERY.

1.—Candidates for the Degrees of Bachelor of Medicine and Bachelor of Surgery shall, subsequent to their Matriculation, pursue their studies for five years, and pass five Examinations.

2.—During the First Year Candidates shall attend Lectures on—(1) Natural Philosophy, Part I., thrice a week during three terms; (2) Biology, Part I., thrice a

week during three Terms; (3) Chemistry, Part I., five times a week during the first Term, and thrice a week during the Second and Third Terms; and shall attend the Laboratory work of Biology, Part I., or special demonstrations therein twice a week during three Terms, and the Laboratory work of Chemistry, Part I., or special demonstrations therein twice a week during the Second and Third Terms.

3.—The subjects of the Pass and Honour Examinations of the First Year shall be—(1) Natural Philosophy, Part I.; (2) Biology, Part I., including Laboratory work; (3) Chemistry, Part I., including Laboratory work.

4.—At the Honour Examination of the First Year three Exhibitions, of the value of Twenty pounds each, shall be open for competition, that is to say, one Exhibition may be awarded in each of the subjects of that year.

5.—During the Second Year Candidates shall attend Lectures on—(1) Junior Anatomy twice a week during three Terms; (2) Histology, Elementary Physiology, and Physiological Chemistry, with practical work therein, thrice a week during the First Term, and twice a week during the Second and Third Terms; shall perform a first course of Dissections, and shall produce certificates of having:—(i.) Attended Post-mortem Demonstrations during the First Term; (ii.) Received tutorial instruction in Elementary Surgery during the Second and Third Terms; (iii.) Attended during the Second and Third Terms the out-patient Surgical Practice of a General Hospital recognised by the University of Melbourne; (iv.) Received instruction in Materia Medica and Practical Pharmacy during the Second and Third Terms, in some School of Pharmacy or other Institution approved by the Council, on the recommendation of the Faculty of Medicine, and of having acquired therein a practical knowledge of the preparation of Medicines.

6.—The subjects of the Examination of the Second Year shall be—(1) Junior Anatomy (Pass or Honours); (2) Histology, Elementary Physiology, and Physiological Chemistry (Pass or Honours); (3) Materia Medica and Pharmacy (Pass only).

7.—At the Honour Examination of the Second Year two Exhibitions, of the value of Twenty pounds each, shall be open for competition, that is to say, one Exhibition may be awarded in each of the subjects of that Examination.

8.—During the Third Year Candidates shall attend Lectures on—(1) Senior Anatomy twice a week during three Terms; (2) Physiology thrice a week during three Terms; shall perform a second course of Dissections; shall attend a practical course of Pathological Histology twice a week during one Term, and shall produce certificates of having (i.) Attended Post-mortem Demonstrations during three Terms; (ii.) Received tutorial instruction in Elementary Medicine during the First and Second Terms; (iii.) Attended during the Second and Third Terms the out-patient Medical Practice of a General Hospital recognised by the University of Melbourne.

9.—The subjects of the Pass and Honour Examinations of the Third Year shall be—(1) Senior Anatomy; (2) Physiology and Histology.

10.—At the Honour Examination of the Third Year two Exhibitions of the value of Twenty pounds each shall be open for competition, that is to say, one Exhibition may be awarded in each of the subjects of that Examination.

11.—During the Fourth Year Candidates shall attend Lectures on—(1) Pathology thrice a week during three Terms; (2) Therapeutics, Dietetics, and Hygiene, thrice a week during the First and Second Terms, with Practical Demonstrations in the Third Term; (3) Obstetrics and Diseases of Women thrice a week during the First and Second Terms; shall attend the course of Elementary Practical Bacteriology twice a week during six weeks; shall attend during nine full months the Surgical Practice of a General Hospital recognised by the University of Melbourne, such attendance to include Clinical Instruction and Lectures on Clinical Surgery, and shall act as Surgical Dressers during at least six months. Candidates shall also during the Fourth Year attend a practical course of Pathological Histology twice a week during one Term, if they have not previously attended such course.

12.—The subjects of the Examination of the Fourth Year shall be—(1) Pathology (Pass or Honours); (2) Therapeutics, Dietetics and Hygiene (Pass or Honours); (3) Junior Surgery and Surgical Anatomy (Pass only).

13.—At the Honour Examination of the Fourth Year two Exhibitions of the value of Twenty pounds each shall be open for competition, that is to say, one Exhibition may be awarded in each of the subjects of that Examination.

14.—During the Fifth Year Candidates shall attend Lectures on—(1) Theory and Practice of Medicine thrice a week during three Terms; (2) Surgery thrice a week during three Terms; (3) Forensic Medicine once a week during three Terms, with supplementary Practical Demonstrations; shall attend during nine full months

the Medical Practice of a General Hospital recognised by the University of Melbourne; such attendance to include Clinical Instruction and Lectures on Clinical Medicine; shall act as Medical Ward Clerks during at least six months; shall act as Clinical Assistants during one Term in the Out-patient Department of a General Hospital recognised by the University of Melbourne; shall attend Post-mortem Demonstrations during six months; and shall attend Demonstrations of Operative Surgery on the dead subject.

15.—The subjects of the Pass Examination of the Fifth Year shall be—(1) Theory and Practice of Medicine; (2) Surgery; (3) Obstetrics and Diseases of Women; (4) Forensic Medicine.

16.—At this Examination Candidates shall be required—as part of the Examination in Theory and Practice of Medicine—(a) To write a brief history of at least one case selected by the Examiners; (b) To examine patients at the bedside and describe the appropriate treatment; and, as part of the Examination in Surgery—(a) To examine patients at the bedside and describe the appropriate treatment; (b) To perform operations on the dead subject and to apply surgical apparatus.

17.—During the Fifth Year Candidates shall produce certificates that, after completing the Third Year, they have—(1) Attended at least twenty cases of Midwifery under the direction of a Registered Medical Practitioner; (2) Attended during six weeks a course of Practical Gynæcology, with Clinical Instruction, in a Special Hospital, or Special Department of a General Hospital, recognised for this purpose by the University of Melbourne; (3) Acquired proficiency in Vaccination under the direction of a Public Vaccinator; and attended two of the following—(4) Twelve Lectures on Diseases of Children, with Clinical Instruction, during six weeks, in a Special Hospital, or Special Department of a General Hospital, recognised for this purpose by the University of Melbourne; (5) Twelve Lectures on Ophthalmic Medicine and Surgery, with Clinical Instruction, during six weeks, in a Special Hospital, or Special Department of a General Hospital, recognised for this purpose by the University of Melbourne; (6) Twelve Lectures on Diseases of the Skin, with Clinical Instruction, during six weeks, in a Special Hospital, or Special Department of a General Hospital, recognised for this purpose by the University of Melbourne; (7) Twelve Lectures on Mental Diseases, with Clinical Instruction, during twelve weeks, in a Hospital for the Insane, or other Institution, recognised for this purpose by the University of Melbourne.

18.—At the Fifth or Final Honour Examination Candidates may obtain Honours in one or more of the following schools—(a) Medicine; (b) Surgery; (c) Obstetrics and Diseases of Women.

19.—At the Fifth or Final Honour Examination three Scholarships may be awarded, one for Medicine, one for Surgery, and one for Obstetrics and Diseases of Women. The Scholarships in Medicine and in Obstetrics and Diseases of Women shall be of the value of Sixty pounds each. That in Surgery shall be the Beaney Scholarship in Surgery.

20.—At the time of this Final Honour Examination a Prize of Twenty pounds may be awarded in the subject of Forensic Medicine, for which all Candidates may compete to whom the said Honour Examination is open.

21.—Candidates shall, in addition to the written Examination for any year, be examined *visà voce* in all subjects of Examination for that year in the course for the Degrees of Bachelor of Medicine and Bachelor of Surgery, excepting Natural Philosophy, Part I., and Chemistry, Part I., including Laboratory Work.

22.—Candidates who have passed all these Examinations and fulfilled the prescribed conditions may be admitted to the Degrees of Bachelor of Medicine and Bachelor of Surgery.

23.—Nothing herein contained shall be taken to confer any right upon Bachelors of Medicine or Bachelors of Surgery of the University of Melbourne as such to assume the title of Doctor.

THE DEGREE OF DOCTOR OF MEDICINE.

1.—Candidates for the Degree of Doctor of Medicine must be Bachelors of Medicine of at least two years' standing in the University of Melbourne or in some other University recognised by it.

2.—Candidates must produce evidence that subsequent to the completion of their Third Year for the Degrees of Bachelor of Medicine and Bachelor of Surgery they have attended during twelve weeks the Practice of a Hospital for the Insane.

3.—Candidates may proceed to the Degree of Doctor of Medicine by Examination or by presentation of a Thesis.

4.—Candidates will not be admitted to Examination or to presentation of a Thesis unless they be Bachelors of Medicine of at least one year's standing.

5.—The subjects of the Examination shall be Theory and Practice of Medicine, Insanity.

6.—Candidates will be required as part of this Examination—(a) To write Commentaries on cases in Medicine and in Diseases of Women; (b) To examine such Medical patients as the Examiners may indicate, and to answer interrogations *vivâ voce*; (c) To answer oral interrogations on their Commentaries and on Medicine and on Insanity.

7.—Every Candidate proceeding by Thesis must submit a Thesis in some branch of the Medical Curriculum proposed by the Candidate and approved by the Faculty of Medicine.

8.—Candidates who have passed in all the subjects of this Examination, or who have submitted a Thesis which the Examiners shall report to be of great merit and to include the results of original research, and who in either case have fulfilled the other prescribed conditions, may be admitted to the Degree of Doctor of Medicine.

THE DEGREE OF MASTER OF SURGERY.

1.—Candidates for the Degree of Master of Surgery must be Bachelors of Surgery of at least two years' standing in the University of Melbourne or in some other University recognised by it.

2.—Candidates for Examination for the Degree of Master of Surgery must be Bachelors of Surgery of at least one year's standing.

3.—The subjects of the Examination shall be—Surgery; Surgical Anatomy and Surgical Pathology, with Dissections and Demonstrations; Surgical Operations on the dead subject; the practical use of Surgical Apparatus.

4.—Candidates will be required as part of this Examination—(a) To write Commentaries on cases in Surgery; (b) to examine such Surgical patients as the Examiners may indicate and to answer interrogations *vivâ voce*; (c) to answer oral interrogations on their Commentaries, and on Surgery, Surgical Anatomy, Surgical Pathology, Surgical Operations, and the practical use of Surgical Apparatus.

5.—Candidates who have passed in all the subjects of this Examination and fulfilled the prescribed conditions may be admitted to the Degree of Master of Surgery.

ADMISSION *Ad Eundem*.

1.—Persons who have passed an Examination qualifying for Matrieculation in any other University, which University is approved in respect of such Matrieculation by the Professorial Board, may be admitted to Matrieculation in the University of Melbourne on complying in other respects with the Statutes and Regulations concerning Matrieculation. But if such Examination did not in such other University give a right to proceed with the course for certain Degrees, it shall not confer such a right in the University of Melbourne.

2.—When any person has passed the Preliminary Examination prescribed in such other University for Candidates for any Degree or Degrees, the Professorial Board may, if it think fit, give such person credit wholly or in part for the subjects of Preliminary Examination prescribed for candidates for such Degree or Degrees in the University of Melbourne.

3.—Persons who have completed the whole or part of their Undergraduate Course in any University or College of a University, which course is approved by the Professorial Board, and shall produce evidence of the same satisfactory to the Board, may be allowed corresponding rank in the University of Melbourne, subject in the case of Degrees in Medicine and Surgery to the provisions of the Statutes or Regulations concerning Degrees in Medicine and Surgery.

4.—Where any Student, having fulfilled the Regulations concerning the Preliminary Examination for Students in Medicine, shall have produced evidence satisfactory to the Faculty of Medicine that he has in any Medical School approved by the Council, on the recommendation of the said Faculty, attended Lectures, or passed Examinations in any subjects prescribed for the Degrees of Bachelor of Medicine and Bachelor of Surgery, he may, if he be a Candidate for the said degrees, obtain credit for such Lectures or Examinations, excepting the Examinations of the fifth year.

The Faculty of Medicine shall define the *status* to which such Candidate may be admitted.

5.—Where any such Candidate has so obtained credit for his first, second, third and fourth years, if he shall have attended, or obtained credit for attending, the Lectures prescribed for the fifth year, and if he shall have produced evidence satisfactory to the Faculty of Medicine of his having attended the total amount of Dissections and Hospital instruction and practice prescribed by the University of Melbourne for the degrees of Bachelor of Medicine and Bachelor of Surgery, he may be admitted to the Fifth Examination.

6.—Persons who have been admitted to Degrees in any University, which Degrees, the Council, on the recommendation of the Professorial Board, thinks fit to recognise, and who shall produce evidence of the same satisfactory to the Professorial Board, may be admitted to corresponding Degrees in the University of Melbourne.

The fees payable shall be—

For any admission <i>ad eundem statum</i>	£2	2	0
For any admission <i>ad eundem gradum</i>	5	5	0
For any Degree of Bachelor, whether direct or <i>ad eundem</i>				5	5	0
For any higher Degree, when direct	10	10	0
For any higher Degree, when <i>ad eundem</i>	5	5	0

UNIVERSITY OF ADELAIDE, SOUTH AUSTRALIA,

Established in 1874, at the instigation of Mr. W. W. Hughes, who contributed £20,000 towards the endowment of two chairs in 1872, which sum was augmented by a similar gift of £20,000 of the Hon. Thos. Elder, in 1874. Letters Patent were granted on March 22nd, 1881. The Medical School was opened in 1885. The first three graduates in Medicine passed in 1889.

Number of Graduates in Medicine up to 1899.—Doctors of Medicine, 26 (including 25 *a. e. g.*); Bachelors of Medicine, 53 (including 22 *a. e. g.*); Master of Surgery, 1 *a. e. g.*; Bachelors of Surgery, 33 (including 4 *a. e. g.*).

Number of Undergraduates in Medicine in 1889—37.

Chancellor—The Right Hon. S. J. Way, P.C., D.C.L. *Vice-Chancellor*—W. Barlow, L.L.D. *Registrar and Librarian*—C. R. Hodge.

Council.—A. A. Lendon, M.D.; Rev. J. Jefferis, LL.D.; Rev. D. Paton, D.D.; R. B. Smith, J.P.; J. Henderson, B.A.; J. L. Stirling, LL.B.; Sir Charles Todd, K.C.M.G., F.R.S.; Prof. W. Mitchell, D.Sc.; J. A. G. Hamilton, M.B.; J. H. Symon, Q.C.; G. J. R. Murray, LL.B.; E. W. Way, M.B.; Sir John W. Downer, K.C.M.G., Q.C.; F. Chapple, B.Sc.; Sheriff W. R. Boothby, C.M.G.; Prof. W. H. Bragg, M.A.; D. Murray, J.P.; E. C. Stirling, C.M.G., M.D., F.R.S.; J. C. Verco, M.D.

Senate.—Consisting of all Masters of Arts, Masters of Surgery, Doctors of Medicine, Doctors of Laws, Doctors of Science, Doctors of Music, and of all other Graduates of three years' standing.

Warden.—F. Chapple, B.Sc. *Clerk*—T. A. Caterer, B.A.

Professors.—Anatomy, A. Watson, M.D.; Chemistry, E. H. Rennie, D.Sc.; Natural Science, R. Tate, F.G.S.; Physics, W. H. Bragg, M.A.

Lecturers.—Physiology, E. C. Stirling, M.D., F.R.S., F.R.C.S.; Chemistry, A. J. Higgin; Principles and Practice of Medicine and Therapeutics, J. C. Verco, M.D., F.R.C.S.; Principles and Practice of Surgery, B. Poulton, M.D., M.R.C.S.; Obstetrics and Diseases peculiar to Women and Children, E. W. Way, M.B.; *Materia Medica*, W. L. Cleland, M.B.; Ophthalmic Surgery, M. J. Symons, M.D., Ch.M.; Forensic Medicine, A. A. Lendon, M.D.; Aural Surgery, W. A. Giles, M.B., Ch.M.; Pathological Anatomy and Teacher of Operative Surgery, A. Watson, M.D., F.R.C.S.; Lunacy, vacant.

Laboratory Assistants.—Physiological Laboratory, W. Fuller; Physical Laboratory, A. Rogers.

Dean of the Faculty of Medicine.—Dr. Lendon.

Examiners in Medicine.—The Professors and Lecturers, together with such Examiners as may be appointed by the Council.

OF MATRICULATION AND DEGREES.

1.—Every person not being less than sixteen years of age who has complied with the conditions for admission to the course of study for a Degree in the Faculty in which he proposes to become a student, and who in the presence of the Registrar or other duly appointed person signs his name in the University Roll Book to the prescribed declaration shall thereby become a Matriculated Student of the University.

2.—Students who shall have fulfilled all the conditions prescribed by the Statutes and Regulations for any Degree may be admitted to that Degree at a meeting of the Council and Senate, to be held at such time as the Council shall determine.

3.—Any person who has been admitted to a Degree in any University recognised by the University of Adelaide may be admitted *ad eundem gradum* in the University of Adelaide.

4.—Persons who have completed the whole or part of their undergraduate course in any University or College of a University recognised by the University of Adelaide, may, with the permission of the Council, be admitted *ad eundem statum* in the University of Adelaide.

OF THE DEGREES OF BACHELOR OF MEDICINE AND BACHELOR OF SURGERY.

1.—No student shall be permitted to commence the Medical Course until he shall have completed his sixteenth year.

2.—Students before entering on the Medical Course are required to pass the Senior Public Examination in the following subjects :—(1) English Language and Literature ; (2) Latin ; (3) Mathematics ; (4) One of the following—(a) Greek, (b) French, (c) German, (d) Italian. On entering the Medical Course students are required to send their names to the Registrar of the University for registration as Medical Students by the General Medical Council of the United Kingdom.

Note.—The General Medical Council will not in future accept any Certificate of Pass in Preliminary Examination in General Education, unless the whole of the subjects included in the Preliminary Examination required by the Council for registration of students in Medicine, have been passed at the same time ; but this rule shall not apply to those who previous to 1st January, 1892, have passed a part of any Preliminary Examination recognised by the Council.

3.—To obtain the Degrees of Bachelor of Medicine and Bachelor of Surgery, every Candidate must complete five academical years of medical study, and pass the examination proper to each year.

4.—The academical year in Medicine shall comprise two Sessions, the First Session commencing about the second week in March and ending about the third week in August, and the Second Session commencing about the second week in September and ending about the second week in December. During the First Session there shall be a vacation, beginning on the last day of the First Term and ending on the first day of the Second Term.

5.—The Ordinary Examination shall be held in the Second Session of each academical year.

6.—No student shall, in any academical year, be credited with attendance at the University lectures on any subject unless he shall have attended, in each session of that year, three-fourths of the lectures given in that subject, except in cases of illness or other sufficient cause to be allowed by the Council.

7.—During the First Academical Year students shall be required—(a) To attend a course of lectures on Anatomy ; (b) to dissect, during six months, to the satisfaction of the Professor of Anatomy ; (c) to attend a course of lectures on Physiology ; (d) to perform practical biological and physiological work, during such Academical Year, to the satisfaction of the Lecturer on Physiology ; (e) to attend a course of lectures on Chemistry ; (f) to perform practical work in Inorganic Chemistry, during three months, to the satisfaction of the Professor of Chemistry ; (g) to attend a course of lectures on Botany ; (h) to attend lectures on the Elements of Heat, Electricity, Magnetism, Light, and Acoustics, unless he shall have already passed in these subjects at either the Junior or Senior Public Examination.

8.—During the Second Academical Year students shall be required—(a) To attend a course of Lectures on Anatomy ; (b) to dissect during six months to the satisfaction of the Professor of Anatomy ; (c) to attend a course of lectures on Physiology ; (d) to perform practical Physiological work during such Academical Year to the satisfaction of the Lecturer on Physiology ; (e) to attend a course of

OF THE DEGREE OF DOCTOR OF MEDICINE.

1.—The Examination for the Degree of Doctor of Medicine shall be held once in each year, during the month of November.

2.—No candidate shall be admitted to this Examination, unless he shall have produced certificates to the following effect;—(1) Of having been admitted to the Degrees of Bachelor of Medicine and Bachelor of Surgery in this University; or of having been admitted to the Degree of Bachelor of Medicine *ad eundem gradum*; (2) Of having, subsequently to admission to the Degree of Bachelor of Medicine in this University or in any other University whose degrees are recognised by the University of Adelaide—*(a) Attended to Clinical or Practical Medicine, during two years, in a hospital or other medical institution recognised by this University; *(b) Or, attended to Clinical or Practical Medicine, during one year, in a hospital or medical institution recognised by this University, and of having been engaged, during three years, in the practice of his profession; (c) Or, of having been engaged, during five years, in the practice of his profession.

Candidates who shall have passed in the First Class at the Examination for the Degree of Bachelor of Medicine and Bachelor of Surgery shall be exempted from one year's attendance on Clinical or Practical Medicine in a recognised institution, or from two years' practice of their profession. At least one-half of the time specified for Clinical or Practical Medicine must be devoted to Medicine as distinguished from Surgery.

3.—These certificates must be forwarded to the Registrar at least one month before the commencement of the Examination.

4.—The Examination shall be conducted by means of printed papers, *viva voce* interrogation, practical demonstrations, and reports of cases in a hospital.

5.—Candidates shall be required to satisfy the Examiners in the following subjects:—(1) Theory and Practice of Medicine, including (a) Pathology, (b) Therapeutics, and (c) Hygiene; (2) Mental Physiology and Lunacy; (3) Obstetrics and Diseases of Women; (4) the History of Medicine. It shall be optional for Candidates

* NOTE.—The following are the Hospitals at present recognised in South Australia:—The Adelaide Hospital and the Adelaide Children's Hospital.

Attendance at the Adelaide Children's Hospital will only be recognised for three months, excepting where the candidate has held the post of Resident Medical Officer for not less than a year, when it will be recognised for the whole of the time.

to substitute for the examination in the History of Medicine a written Thesis relating to some one of the subjects included in the medical curriculum. The subject of such Thesis shall be first approved by the Faculty of Medicine, and the Thesis shall be forwarded to the Registrar of the University at least two weeks before the examination for the Degree of Doctor of Medicine.

The undermentioned fees shall be paid in advance :—

Examination fee	£15	15	0
Fee for the Degree of Doctor of Medicine	10	10	0

OF THE DEGREE OF MASTER OF SURGERY.

The first four clauses are the same as those for the Degree of Doctor of Medicine, with the exception of the word "Medicine," for which read "Surgery" in every case.

5.—Candidates shall be required to satisfy the Examiners in the following subjects :—Surgery, all branches, including Surgical Anatomy, Surgical Pathology, and Operative Surgery. Candidates will also be required—(1) To write commentaries on surgical cases. (2) To write a short extempore essay on some surgical topic. (3) To examine and report on cases of surgical patients in the wards of a hospital.

The undermentioned fees shall be paid in advance :—

Examination fee	£15	15	0
Fee for the Degree of Master of Surgery	10	10	0

UNIVERSITY OF OTAGO, AT DUNEDIN, NEW ZEALAND,

Was founded at Dunedin in 1869, by an Ordinance of the Provincial Council, and received as an endowment 100,000 acres of pastoral land. It was opened in 1871. In 1872 the Provincial Council voted a further endowment of 100,000 acres of pastoral land, and this important accession to its revenues enabled the University to lay the foundations of a Medical School. In 1874 the University of Otago became affiliated to the University of New Zealand, now at Wellington. Its first Chancellor was the Rev. Thomas Burns, D.D., elected November 10th, 1869. A new University building was erected on a site containing about eight acres of ground, in 1878. The Medical School was opened in 1884; the first Graduate in Medicine (W. T. Dermer) passed in 1889.

Number of Graduates in Medicine up to 1899.—Doctors of Medicine, 21 (including 16 *a. e. g.*); Bachelors of Medicine, 37 (incl. 4 *a. e. g.*); Bachelors of Surgery, 33.

Number of Undergraduates in Medicine in 1899.—18 had passed the 2nd Professional Examination, 16 the 1st Professional, 35 all the Intermediate, 12 part of the Intermediate, and 24 the Preliminary Examination; total number, 105.

University of New Zealand (Office: Wellington).—Chancellor, Sir James Hector. Vice-Chancellor, Rev. J. C. Andrew. Registrar, J. W. Joynt, M.A.

Senate.—C. C. Bowen; F. D. Brown, M.A.; J. M. Brown, M.A.; L. Cohen, M.A.; C. H. H. Cook, M.A.; Most Rev. W. G. Cowie, D.D.; F. Fitchett, LL.D.; M. L. Grace, M.D.; J. Hay, M.A.; D. Macgregor, M.B.; W. D. Milne, LL.D.; Sir George M. O'Rorke, Kt.; Rev. J. Paterson; His Honour Sir James Prendergast; Most Rev. F. Redwood, D.D.; W. Rolleston, B.A.; Prof. G. S. Sale, M.A.; Prof. Rev. W. Salmond, D.D.; Prof. J. H. Scott, M.D.; Prof. J. Shand, LL.D.; Sir Robert Stout, K.C.M.G.; A. P. W. Thomas, M.A.

Otago Medical School.—*Professors*—Anatomy and Physiology, J. H. Scott, M.D.; Biology, W. B. Benham, D.Sc., F.R.S.; Chemistry, J. G. Black, D.Sc.; Physical Science, J. Shand, LL.D.

Lecturers.—Surgery, L. E. Barnett, F.R.C.S.; Practice of Medicine, D. Colquhoun, M.D. Lond., M.R.C.P.; Pathology, W. S. Roberts, M.R.C.S.E.; Midwifery and Diseases of Women, F. C. Batchelor, M.D.; Materia Medica, J. Macdonald, M.R.C.S.; Medical Jurisprudence and Public Health, F. Ogston, M.D.; Ophthalmology, H. L. Ferguson, M.D., F.R.C.S.I.; Mental Diseases, F. T. King, M.B.; Clinical Medicine and Clinical Surgery, The Hon. Staff of the Dunedin Hospital.

Examiners in Medicine.—The Professors, the Lecturers, and J. S. Maclaurin, D.Sc.; Prof. Bickerton, F.C.S. (Christchurch); F. R. Riley, F.R.C.S.; W. K. Fyffe, M.R.C.P.; J. Mason, M.D.; W. E. Collins, F.R.C.S.; E. Jennings, M.R.C.S.; G. E. Anson, M.D.

MATRICULATION.

1.—Every student upon entering the University shall be matriculated—that is, shall have his name enrolled upon the books of the University. No student shall be matriculated until he has passed the Matriculation Examination. Students who have passed the Preliminary Examination of Medical Students (see below) who, in the opinion of the Chancellor, upon the report of the Examiners, are fit to be matriculated, shall be held to have passed the Matriculation Examination.

2.—Every student shall, at Matriculation, make the prescribed declaration that he has attained the age of sixteen years.

THE REGISTRATION OF MEDICAL STUDENTS.

1.—Every medical student of the University must be registered as such, and must be on the books of the University as a matriculated student.

2.—No medical student shall be registered unless he either has passed in all the subjects of the Preliminary Examination of Medical Students or is a graduate of a University in Arts or Science; nor until he has produced evidence of having commenced medical study.

Note.—All the subjects of the Preliminary Examination must be passed at one time.

3.—The commencement of medical study shall not be reckoned as dating earlier than fifteen days before the date of registration.

4.—No candidate shall be admitted to the final examination for the Degree of Bachelor of Medicine whose name has not been on the Medical Register for at least fifty-seven months previously.

The fee for medical registration shall be two guineas.

THE PRELIMINARY EXAMINATION OF MEDICAL STUDENTS.

[*Note.*—The Preliminary Medical Examination of the New Zealand University is recognised by the General Medical Council of the United Kingdom, and enables students to begin or carry on their studies, not only in New Zealand, but also at any of the Scottish Universities or licensing bodies, or elsewhere, or in London, with a view to taking the licences of the Royal Colleges of Physicians and Surgeons. The London University, though it recognises as qualifying for its degrees in medicine all the medical classes taught in this country, does not recognise any preliminary examination but its own. Students, therefore, who desire to take the medical degrees of the London University must, before beginning their studies, pass its Preliminary Medical Examination.

Students who wish to take the degrees in medicine of any of the Scottish Universities may register as medical students, and may attend classes in New Zealand for two years before going to Scotland, and such attendance will count as part of their medical course; but neither the Intermediate nor any of the professional examinations of this University are recognised as exempting from the corresponding examinations of these Universities.

The University of Cambridge also allows students to attend in New Zealand two years before going Home. The attendance, however, does not exempt from the "Previous Examination" which must be passed on arrival at Cambridge.

The whole course of medical study as laid down by the Examining Board of the Royal Colleges of Physicians and Surgeons of England can be taken in New Zealand. No further attendance at classes is necessary, though the examinations required for the combined diplomas of these colleges must be passed in London. The Board, however, grant exemption from both the first and second professional examinations to graduates in medicine of this University.

A similar concession is granted by the Examining Board of the Royal Colleges of Physicians and Surgeons of Edinburgh, and the Faculty of Physicians and Surgeons of Glasgow.

Graduates in Arts or Science of this University who have passed in Chemistry, Physics, Zoology, or Botany are exempted by the University of Aberdeen from the

examination in these subjects required from Medical students. Such graduates may obtain a similar exemption from the University of Edinburgh on application to the University Court.]

1.—Candidates for the Preliminary Medical Examination* must pass in the following subjects :—(1) English Language—Grammar, not including Historical grammar. Composition : Unpunctuated passage to be punctuated. English, same as Matriculation. (2) Latin, including grammar, translation from specified authors, and translation of easy passages not taken from such authors ; translation of easy passages from English into Latin. (3) Elements of Mathematics :—(a) Arithmetic—Fundamental rules, vulgar and decimal fractions, proportion, square root ; (b) Algebra, to simple equations inclusive, with easy problems ; (c) Geometry—Euclid Books I., II., and III., with easy questions on subject-matter of the same. (4) One of the following subjects :—(a) Greek ; (b) French ; (c) German.

Note.—The papers of the Matriculation Examination will be used, additional questions for Medical candidates being set in Latin and Geometry. A candidate who fails to pass the Medical Preliminary may still pass for Matriculation if he passes in sufficient subjects.

2.—Any student who has passed the first section of the examination for the Degree of Bachelor of Arts, or Bachelor of Science, or Bachelor of Laws, may be registered as a Medical Student, on passing in such subjects of the Preliminary Medical examination as he did not pass at Matriculation, and has not passed in a subsequent University examination.

Note.—Subject to the foregoing exception, no candidate is allowed to divide the Preliminary examination, all the subjects of which must be taken at one time.

3.—The fee for the Preliminary Medical examination shall be two guineas.

THE DEGREES OF BACHELOR OF MEDICINE AND BACHELOR OF SURGERY.

1.—There shall be an Intermediate examination, and three Professional examinations, for the degrees of Bachelor of Medicine and Bachelor of Surgery.

2.—These shall be conducted, as far as possible both by written questions and by *visd voce* and practical examinations.

3.—There shall be two Examiners at every oral and clinical examination.

4.—Excellence in one or more subjects at an examination shall not compensate for failure in others.

5.—A Candidate who has failed in any of the subjects of the Intermediate examination, or in the first or second Professional examinations, may be admitted to a special examination, to be held in the month of April, if the Examiners so recommend. A Candidate who fails in this special examination must keep terms before he can be re-admitted to examination in November ; and Candidates not so recommended by the Examiners, and all those who fail to pass the third Professional examination, must keep terms for one year before they can be re-admitted to examination. The fees for the special examinations in April shall be as follows :—Two guineas for each subject of the Intermediate examination and eight guineas for either of the Professional examinations : subject in each case to the provisions of the Statute " Conduct of University Examinations."

THE INTERMEDIATE EXAMINATION.

6.—The Intermediate examination shall be held† not sooner than November in the candidate's first year, and shall include :—(1) Biology (one Paper) :—I. General Biology as for the degree of Bachelor of Arts, but of a lower standard. II. (a) The structure and life-history of Mucor or any mould, Chara or Nitella, Selaginella, any Gymnosperm ; (b) the elements of comparative anatomy of Angiosperms. III. (a) The general characters of the chief classes of animals ; (b) the structure and life-history of the Fluke, Tapeworm, Earthworm, Crayfish, Mussel, any simple Ascidian, Amphioxus, a Fish, Frog, Rabbit. (N.B.—The skull of the Dog may be studied in place of that of the Rabbit.) (c) The outlines of the Embryology of Amphioxus, Frog, Chick, Rabbit, and the mode of formation of the foetal membranes of the last two ;

* The Examination is held in December. Places of Examination—Auckland, Gisborne, Napier, Wanganni, Palmerston North, Wellington, Nelson, Greymouth, Christchurch, Timaru, Oamaru, Dunedin, and Invercargill.

† Places of examination—Auckland, Wellington, Christchurch, Dunedin. Candidates must send in notices to the Registrar, accompanied by the fee, not later than September 1st.

(d) the elements in the comparative anatomy of Vertebrata. (2) Physics (one Paper):—Heat.—Change of volume, measures of temperature; change of state, latent heat, hygrometry, specific heat, calorimetry; sources of heat, the conservation and dissipation of energy; convection, conduction; reflection, refraction, transmission and absorption of radiant energy. Sound.—The production and propagation of sound; the vibration of sounding bodies; the elements of the physical theory of music. Light.—Nature, production, and propagation of light; the laws of reflection and refraction at plane and spherical surfaces; prismatic dispersion and spectra; interference, double refraction, and plane polarisation; the principal optical instruments, and vision. Static Electricity.—Fundamental phenomena of attraction and repulsion, conduction, induction, and distribution; electrostatic units; electrical machines; condensers. Magnetism.—Fundamental phenomena of magnetic attraction, repulsion, and induction; magnetic units; terrestrial magnetism. Current Electricity.—Voltaic batteries; galvanometers; electrolysis; Ohm's law; thermal effects of the electric current; electro-magnetic units; the interaction of magnets and currents, and the mutual action of currents upon one another; thermo-electricity; induction of currents; magneto-electric and dynamo-electric machines. (*Note.*—The scope of the subject Physics is the same as for the degree of Bachelor of Arts and Bachelor of Science, but the standard is lower.) (3) Inorganic Chemistry (one paper):—The chemical relations of cohesion, heat, light, and electricity; the general principles of chemical combination, notation, and nomenclature; the description and classification of the more important elements and compounds, qualitative analysis and calculations of chemical problems.

7.—The subjects of the Intermediate examination may be taken together or separately, at the option of the candidate, but the whole Intermediate examination must be passed before the candidate can be admitted to the First Professional examination.

8.—Candidates must forward to the Registrar, at least fifteen days before the date of the examination, certificates of their having attended lectures and of having gone through a course of practical work at a University College in the subjects in which they propose to be examined.

Note.—The classes required for the Intermediate examination may be taken at any of the affiliated colleges.

9.—Any Medical Student who previous to registration has passed the examination in Biology, or Physics, or Chemistry, prescribed for the degree of Bachelor of Arts or Bachelor of Science shall be exempt from passing in the same subject in the Intermediate examination, and his attendance at classes in the subject shall be counted as part of his medical course.

10.—Any candidate who may have satisfied the Examiners in any one subject of this Examination shall be entitled on payment of the prescribed fee to receive from the Registrar a certificate to that effect.

11.—The fee for the Intermediate examination shall be three guineas; but if taken in sections in the manner herein provided, one guinea for each section, subject in both cases to the provisions of the Statute "Conduct of University Examinations."

12.—Candidates' notices for the Intermediate examination must be sent in to the Registrar not later than September 1st, accompanied by the fee.

PROFESSIONAL EXAMINATIONS.*

13.—The First Professional examination shall be held not sooner than November in the candidate's third year, and shall include:—(1) Organic Chemistry; (2) Practical Chemistry (Qualitative Analysis of inorganic substances: the preparation and recognition of the more important organic products); (3) Anatomy. No candidate shall be admitted to this examination within six months of the time of his completing the Intermediate examination. Candidates must forward to the Registrar, at least fifteen days before the date of examination, the following certificates:—(1) Of having attended not less than one hundred lectures on Chemistry, including Organic Chemistry; (2) of having received six months' instruction in Practical Chemistry; (3) of having attended a course of not less than one hundred lectures on Human Anatomy; (4) of having dissected the Human Body during two periods of six months each. Candidates in Anatomy may be called on to perform actual dissections.

14.—The fee for the First Professional examination in November shall be five guineas.

* Place of Examination—Dunedin.

15.—Candidates' notices for the First Professional examination must be sent in to the Registrar, with the fee, not later than September 1st.

16.—The Second Professional examination shall be held not sooner than November in the candidate's fourth year, and shall include (1) Physiology; (2) Pathology (including Morbid Anatomy); (3) *Materia Medica*. No candidate shall be admitted to this examination within six months of the time of his passing the first Professional examination. Candidates must forward to the Registrar, at least fifteen days before the date of examination, the following certificates:—(1) Of having attended a course of not less than sixty lectures and gone through a course of practical work in Physiology; (2) Of having attended a course of not less than sixty lectures and gone through a course of practical work in Pathology; (3) Of having attended a course of not less than sixty lectures on *Materia Medica*; (4) Of having practised the dispensing of medicine for three months at a public dispensary, or under the superintendence of a member of the Pharmaceutical Society of New Zealand; (5) Of having attended the post-mortem examinations of a hospital containing not less than a hundred beds, for two periods of six months each.

17.—The fee for the Second Professional examination in November shall be five guineas; subject to the provisions of the Statute "Conduct of University examinations."

18.—Candidates' notices for the Second Professional examination must be sent in to the Registrar, with the fee, not later than September 1st.

19.—The Third Professional examination shall be held not sooner than November in the candidate's fifth year, and shall include (1) Surgery; (2) Clinical Surgery; (3) Medicine (including Therapeutics and Insanity); (4) Clinical Medicine; (5) Surgical and Medical Anatomy; (6) Midwifery and Diseases of Women; (7) Medical Jurisprudence; (8) Public Health. No candidate shall be admitted to this examination within six months of the time of his passing the Second Professional examination. (*Note*.—The Third Professional examination is at present held in the last week of January. Candidates' notices, with fee, must be sent in by December 1st.) Candidates must forward to the Registrar, at least fifteen days before the date of examination, the following certificates:—(1) Of having been registered a medical student at least fifty-seven months previously; (2) Of being twenty-one years of age before the date of graduation; (3) Of having attended a course of not less than one hundred lectures on Surgery; (4) Of having attended a course of not less than fifty lectures on Clinical Surgery; (5) Of having attended a course of instruction in practical, including operative, Surgery; (6) Of having attended a course of not less than one hundred lectures on Medicine; (7) Of having attended a course of not less than fifty lectures on Clinical Medicine; (8) Of having attended a course of not less than one hundred lectures on Medical Jurisprudence and Public Health; (9) Of having attended a course of not less than sixty lectures on Midwifery and Diseases of Women; (10) Of having received practical instruction in Diseases of Women; (11) Of having received a three years' course of regular clinical instruction in Medical and Surgical Practice in a hospital recognised by the University, such hospital to contain not less than one hundred beds, and having a distinct staff of physicians and surgeons. This certificate must state that the candidate has acted as clerk for six months in the medical wards, and as dresser for six months in the surgical wards. Six months of this hospital practice may be taken at a lunatic asylum containing not less than one hundred beds; (12) Of having attended six midwifery cases; (13) Of dispensary practice for six months, either in the out-patient department of a hospital, or at a public dispensary, or with a qualified practitioner; (14) Of having had instruction and practice in Vaccination; (15) Of having had clinical instruction in Insanity at an asylum containing not less than two hundred beds. Candidates in Surgery will be examined practically as to surgical applications and surgical anatomy, and may be required to operate on the dead body.

20.—The fee for the Third Professional examination shall be five guineas.

21.—No student shall be admitted to the Third Professional examination until he has kept five years' terms at a Medical School recognised by the Senate.

Note.—The University of Otago is recognised as a Medical School, but Medical students may keep their first year, in Biology, Physics, or Chemistry, at the University College, Auckland, Victoria College, or the Canterbury College.

22.—Certificates of instruction and practical work in Chemistry, Biology, and Physics, shall be accepted from any of the following Institutions—namely, the University of Otago, Canterbury College, Victoria College, Auckland University College, and the Institutions defined in Section I. of the Statute "*Admission ad eundem*."

Certificates in all subjects of medical instruction shall be accepted from Medical Schools in New Zealand, from the Institutions defined in Section I. of the Statute "Admission *ad eundem*" which have established Medical Schools, and from the Medical Licensing Bodies which are recognised by the General Medical Council of Great Britain. Every certificate of class attendance or of practical work required by this Statute must state that the candidate has satisfied the teacher by whom the certificate is given.

23.—Any candidate who produces satisfactory evidence that he has passed an examination in Chemistry, or in Biology, or in Physics, required for a degree in Medicine at a University in the United Kingdom or in the Colonies, or for the Fellowship of the Royal College of Surgeons in England, shall, subject to the approval of the Chancellor, be exempt from examination in any of these subjects in which he has so passed.

24.—A Bachelor of Medicine, by examination, of the New Zealand University, is entitled to the degree of Bachelor of Surgery, on payment of a fee of five guineas.

THE DEGREE OF DOCTOR OF MEDICINE.

1.—A candidate for the degree of Doctor of Medicine must be a graduate of a University in Arts or in Science, and not less than twenty-four years of age. He must have obtained the degree of Bachelor of Medicine at least two years previously, and must have been engaged during the interval in the practice or study of his profession.

2.—Candidates must send in for approval a thesis on some subject belonging to the medical curriculum.

3.—Candidates shall also be examined, both in writing and orally, on any one of the following groups of subjects they may choose:—(1) Anatomy and Physiology; (2) Surgery and Anatomy; (3) Medicine and Pathology; (4) Public Health and Medical Jurisprudence.

4.—The thesis, and notification of the subjects which the candidate chooses for examination, must be forwarded to the Registrar three months before the examination, which will be held in January of each year at Dunedin.

5.—A candidate for the degree of Doctor of Medicine who has been admitted *ad eundem* to the degree of Bachelor of Medicine in the New Zealand University, and who is a Bachelor of Arts or Bachelor of Science of the New Zealand University, or of a University recognised by the New Zealand University, and who has been in the practice or study of his profession for two years in New Zealand after taking the *ad eundem* degree of Bachelor of Medicine, and who has also written the thesis and passed the examination required by this Statute, may be admitted to the degree of Doctor of Medicine.

6.—The fee for the examination for the degree of Doctor of Medicine shall be five guineas.

SCHEDULE OF FEES PAYABLE IN THE MEDICAL COURSE, AND OF DATES RESPECTING EXAMINATIONS.

Matriculation Examination fee	£2	2	0
Notice of intention to come up, October 23rd; Examination: December.								
Medical Registration fee	2	2	0
Intermediate Examination fee	3	3	0
But if this Examination be divided, for each subject	1	1	0
Notice of intention to come up, September 1st; Examination: November.								
First Professional Examination Fee	5	5	0
Notice of intention to come up, September 1st; Examination: November.								
Second Professional Examination Fee	5	5	0
Notice of intention to come up, September 1st; Examination: November.								
Third Professional Examination Fee	5	5	0
Notice of intention to come up, December 1st; Examination: at present, January.								

SPECIAL APRIL EXAMINATION.

Fee in Intermediate, each subject	£2	2	0
Either Professional Examination fee	8	8	0
Examination for Degree of Doctor of Medicine...	5	5	0
Degree of Bachelor of Medicine, fee	7	7	0
Degree of Bachelor of Surgery, fee	5	5	0
Degree of Doctor of Medicine, fee...	15	15	0

ADMISSION *Ad Eundem*.

1.—Any person who has passed the Matriculation Examination of any chartered University, or completed any part of his undergraduate course at any such University, may on the approval of the Chancellor be admitted to Matriculation without examination; and any person so admitted shall have the same standing, with respect to the keeping of terms only, as he would have had if any terms which he has kept in another University had been kept in the University of New Zealand. Applicants under this section must send to the Registrar—(a) Any evidence in their possession of their standing at their former University; (b) a fee of two guineas; (3) a statutory declaration of identity.

2.—Any person who shall have been admitted to the Degree of Bachelor of Arts, Master of Arts, Bachelor of Medicine, Doctor of Medicine, Bachelor of Laws, Doctor of Laws, Bachelor of Music, Doctor of Music, Bachelor of Science, Doctor of Science, in any of the following Universities—namely, Oxford, Cambridge, Glasgow, Aberdeen, St. Andrew's, Edinburgh, Dublin, Durham, London, Royal University of Ireland, Victoria University, Sydney, Melbourne, or Adelaide—may be admitted by the Senate to the same degree in the University of New Zealand. Candidates must, on or before the first day of the meeting of the Senate in any year, lodge with the Registrar as evidence a diploma or Calendar of the University to which they have formerly belonged, or a certificate of the Registrar or other recognised officer of the said University, together with proof of their identity by means of a statutory declaration or a certificate from a member of the Senate.

3.—The fee for admission *ad eundem*, either as a graduate or an undergraduate, shall be two guineas, and shall be paid by the applicant at the time of making application for such admission. Provided that a candidate for admission *ad eundem* may be admitted to more than one degree at one time without paying any additional fee.

NUMBER OF GRADUATES IN MEDICINE UP TO 1899 OF THE UNIVERSITIES IN AUSTRALIA AND NEW ZEALAND.

University of	Medical School opened in	M.D.	M.D., <i>a.e.g.</i>	M.B.	M.B., <i>a.e.g.</i>	Ch.B.	Ch.B., <i>a.e.g.</i>	Ch.M	Ch.M., <i>a.e.g.</i>

Melbourne	256
Adelaide	37
Dunedin	105
Total Number	575

OFFICIAL MEDICAL DIRECTORY OF AUSTRALASIA.

BRITISH NEW GUINEA.

Government Medical Officers.

CENTRAL DIVISION :

Dr. Jos. A. Blayney, R.M., Port Moresby.

EASTERN DIVISION :

Mr. Cecil Vaughan, Samarai.

WESTERN DIVISION :

Vacant (£300 and quarters), stationed at Daru.

FIJI.

Chief Medical Officer.

The Hon. Bolton G. Corney, M.L.C.,
M.B.C.S.E., Suva.

Senior Medical Officer.

Dr. G. W. A. Lynch, Suva.

Board of Health.

Office : Suva.

President : The Governor.

Chairman : The Chief Medical Officer.

And at least five other members, not less than two of them being members of the Legislative Council.

There is a Local Authority for this Board in Viti Levu, one in Ovalau, and one in each of the five medical districts, being, in each case, the Government Medical Officer, and he is empowered, by means of the "Public Health Ordinance," and of the regulations made under it by the Board of Health, to deal with and take measures for the rectification of all matters of sanitation within his district. The Local Authority has under his orders a Sanitary Inspector.

Port Health Officers.

PORT OF SUVA :

The Chief Medical Officer.

The District Medical Officer, Suva (West).

PORT OF LEVUKA : Dr. A. H. Hallen.

District Medical Officers.

BA : Dr. J. W. Farndale.

LABASA : Dr. H. N. H. Joynt.

REWA : Dr. A. A. Montague.

SUVA (WEST) : Vacant.

TAVIUNI : Vacant.

Assistant Medical Officers.

Dr. A. H. Hallen (Levuka).

Dr. H. Keith (on leave).

Dr. F. Hall (not located).

Dr. M. I. Finucane (on leave).

NOTE.—Fiji being a Crown Colony, medical men are selected in England by the Secretary of State for the Colonies, and on their arrival in Fiji they are distributed by the Governor to districts or provinces.

Quarantine Stations.

AT MAKULUVA ISLAND AND NUKULAU ISLAND.

For Plague Cases—NAIKOROKORO.

TONGA.

Government Medical Officer.

Dr. Donald McLennan (£500 and quarters), at Nukualofa.

NEW SOUTH WALES.

Medical Board of New South Wales.

Office :

7 Richmond Terrace, Domain, Sydney.

Meetings :

Second Wednesday in each month, at 3 p.m.

President :

Sir Arthur Renwick, Kt., M.D., Sydney.

Members :

Drs. C. W. Morgan, W. H. Goode, H. G. A. Wright, P. Sydney Jones, Thos. P. Anderson Stuart, R. D. Ward, J. Foreman, F. H. Quaife, E. J. Jenkins, Thos. Dixon, W. C. Wilkinson, and F. Milford.

Secretary (£100) :

Andrew Houston, M.B., 113 Phillip Street, Sydney.

NOTE.—Gentlemen wishing to obtain the Certificate of the Board, or to register any additional qualifications which they may possess, and desiring to have them recorded on the official list, are required to attend personally to submit their qualifications to the Board, and to leave with the Secretary their photograph, attested by their signature for identification.

Candidates for registration are required to communicate with the Secretary at least five (5) days before the Meeting ; and can do so at the Board Room, on any lawful day, between 2 p.m. and 3 p.m.

Medical Department.

Office : 93 Macquarie Street, Sydney.

Chief Medical Officer and Medical Adviser to the Government :

J. Ashburton Thompson, M.D. (£920).

Principal Assistant Medical Officer and Microbiologist :

Dr. F. Tidswell (£800).

Board of Health of New South Wales.

Office :

93 Macquarie Street, Sydney.

Meetings :

First Wednesday in each month.

President :

J. Ashburton Thompson, M.D.

Members :

Henry N. McLaurin, M.D. ; Dr. W. H. Goode ; Prof. Anderson Stuart, M.D. ; J. Powell ; Dr. F. N. Manning ; the Mayor of Sydney ; the President of Chamber of Commerce ; the Inspector-General of Police ; E. W. Knox. (unofficial members, £100 each).

Sanitary Inspector :

P. E. A. L. Getting (£240).

Chief Veterinary Inspector :

Edw. Stanley, F.R.C.V.S. (£635).

Veterinary Inspectors :

S. T. D. Symons (£325).

F. W. Melhuish (£300).

H. Bowker (£300).

Secretary :

C. A. Simms (£350 and quarters).

First Clerk : A. R. Gullick (£240).

Medical Officers of Health.

For the Metropolitan Combined Districts :

Dr. W. G. Armstrong, Sydney (£750).

For the Hunter River Combined Districts :

Dr. R. Dick, Waratah (£700).

Government Health Officers.

PORT JACKSON :

W. Peirce, M.D., Port Health Officer, stationed at Watson's Bay (£515 and quarters).

PORT OF NEWCASTLE :

Dr. R. U. Russell (£226).

Quarantine Station.

AT NORTH HEAD, PORT JACKSON :

Superintendent : J. F. Vincent (£350).**Medical Health Officer for City of Sydney.**Dr. Gwynne-Hughes (£250),
Castlereagh Street, South, Sydney.**Railway Medical Officer.**

Dr. G. P. M. Woodward, Sydney (£900).

NEWCASTLE DISTRICT.

Dr. W. L'E. Eames.

City Coroner.J. C. Woore, J.P. (£750), Chancery
Square, Sydney.*Deputy Coroner* :

Dr. R. H. Todd, Sydney (£250).

NEWCASTLE : G. Martin (£200).

Lunacy Department.*Inspector-General of the Insane* :

Dr. E. Sinclair, Gladesville (£974).

Clerk and Accountant :

E. Bennett (£250).

Pathologist :

Dr. J. F. Flashman, Callan Park.

Master in Lunacy :Henry F. Barton (£335), Chancery
Square, Sydney.**Official Board of Visitors to Hospitals for the Insane.**James C. Cox, M.D. (£150); Dr. W. H.
Goode £100; Dr. A. Shewen (£100);
A. Nugent Robertson (£200).**Department of Charitable Institutions.***Office* :

Cleveland Street, Sydney.

Director :E. Hanson (*Acting*, £650).*Chief Superintendent of Asylums* :

A. W. Green, Parramatta (£600).

Government Medical Officer and Vaccinator.R. T. Paton, F.R.C.S. Ed. (£800).
Richmond Terrace, Domain, Sydney.**Pathologist, Second Government Medical Officer and Vaccinator.**G. H. Taylor, L.R.C.P. Ed. (£560),
Richmond Terrace, Domain, Sydney.**Medical Officer Public Institutions, Parramatta.**

Dr. A. G. Henry.

Government Medical Officer, Parramatta.

Dr. T. E. Franklin (£600).

Gaol Surgeons.*Biloela Gaol*, "Sobraon," and *Magazines* :

Sydney.

NEW ZEALAND.

There is no Medical Board in New Zealand, but any person desiring to be registered as a Medical Practitioner is required to give notice of his intention to the Registrar-General, Mr. E. J. von Dadelszen, at Wellington, or the Registrars in the chief towns, and must state in such notice his residence, his qualifications, and the date of his intended application, and that his diploma or other evidence of qualification is deposited for public inspection in the office of the Registrar-General or Registrars, and must sign such notice with his name in full.

The diplomas or evidence of qualification must be produced to the Registrar, and a copy certified to by a J.P. deposited, an advertisement at the same time being published by the applicant in the *New Zealand Gazette*. Fees on deposit of diplomas, 20s. Certificate, 5s.

The Registrars of Births, Deaths, and Marriages in the chief towns act as Registrars of Medical Practitioners. (*Vide* Medical Practitioners Registration Act, page 5).

Lieut.-Col. Chs. D'Oyly Forbes (£175).

Inspector :

F. D. Lockwood (£200).

Principal Medical Officer.

Ernest Blake, L.R.C.P. and S. Ed. (£500)

1. This officer has the control and general superintendence of the Medical Department of Western Australia.

2. He will exercise a general supervision over all the Medical Establishments, and will bring to the notice of the Minister controlling the Department anything which he may consider requires attention or alteration in any of them.

3. For this purpose he will be at liberty to visit and inspect any of these establishments whenever he may think proper to do so.

4. He is the sole medium of communication between the Government and the officers of the Medical Department, and all returns and official documents connected therewith are to be addressed to him.

District Government Medical Officers.

(These officers are responsible for the proper performance of their medical duties within their districts, together with the general superintendence of the hospitals under their charge, and shall see that they are kept in proper order, that the Regulations for their management are strictly observed, and that the officers and persons connected with them do their duty in a satisfactory manner, and they will also consider themselves responsible for the charge of all Government Stores belonging to the department, and for their economical expenditure, and where no secretary is appointed they will, with the assistance of the Matron, perform and carry out the duties of Secretary.)

MEDICAL AND ALLIED SCIENTIFIC SOCIETIES IN AUSTRALASIA.

NEW SOUTH WALES.

New South Wales Branch of the British Medical Association.

(Established in 1880.)

President : Dr. W. H. Coutie. *Vice-president* : Dr. Foreman. *Hon. Treasurer* : Dr. Crago. *Members of Council* : Drs. Thring, Crago, Worrall, Abbott, Hankins, Clark, Rennie, Neill, Blackwood, Brady, Knaggs, and Jamieson. *Auditors* : Drs. Jarvie Hood and Todd. *Hon. Secretary* : Dr. Hankins, Elizabeth-street, Sydney. *Gazette Sub-committee* : Drs. Crago, Knaggs, and Worrall.

* * Meet at the Royal Society's Hall, Elizabeth-street, Sydney, on the first Friday in every month, from March to December inclusive, at 8.15 p.m. The Annual Subscription is £2 2s., which includes the *B.M.J.* and *Australasian Medical Gazette*.

New South Wales Medical Union.

The object of the Union shall be.—To render assistance to any member who may be threatened with or involved in any action-at-law or prosecution arising out of the practice of his profession within the colony of New South Wales, provided proceedings in such action or prosecution shall not have arisen from circumstances occurring prior to his becoming a member of this Union or of the late Defence Fund. No member shall receive any assistance from the Union when involved in any action against a legally qualified Medical Practitioner.

Trustees : Drs. F. H. Quaife, Coutie, and Fiaschi. *Hon. Treasurer* : Dr. W. H. Crago, 34 College-street, Sydney. *Hon. Secretaries* : Drs. A. Jarvie Hood and MacDonald Gill, Sydney. *Auditors* : Drs. Murray Will and Binney. *Councillors* : Drs. Brady, Carruthers, Foreman, Knaggs, Muskett, Collins, Faithfull, Jamieson, Mullins, Wood. *Local Honorary Secretaries* : Albury, Dr. A. Andrews; Armidale, Dr. L. G. Mallam; Bathurst, Dr. D. T. Edmunds; Bowral, Dr. T. C. Fisher; Candelo, Dr. A. H. Mecke; Glen Innes, Dr. F. H. Wrigley; Inverell, Dr. T. Lane; Muswellbrook, Dr. R. E. Grigson; Newcastle, Dr. J. L. Beeston; Nowra, Dr. H. K. King; Richmond, Dr. W. M. Helsham; Wagga Wagga, Dr. E. H. Thane; Yass, Dr. P. T. Thane; Young, Dr. J. T. Heeley.

* * Meet at 121 Bathurst-street, Sydney, when required. The annual subscription is 21s., and the annual meeting takes place on the last Wednesday in March in each year.

Medical Benevolent Fund of New South Wales.

Chairman : Dr. E. T. Thring. *Hon. Treasurer* : Dr. Faithfull. *Committee* : Drs. Fiaschi and Quaife. *Hon. Secretary* : Dr. Maitland, Liverpool-street, Hyde Park, Sydney. *Hon. Auditor* : Dr. Knaggs.

* * The annual subscription is 10s. 6d.

Royal Society of New South Wales.

THE ROYAL SOCIETY of New South Wales originated in 1821 as the "Philosophical Society of Australasia." After an interval of inactivity, it was resuscitated in 1850 under the name of the "Australian Philosophical Society," by which title it was known until 1856, when the name was changed to the "Philosophical Society of New South Wales." In 1866 it assumed its present title, and was incorporated by Act of the Parliament of New South Wales in 1881.

Objects of the Society.—The object of the Society is to receive at its stated meetings original papers on Science, Art, Literature, and Philosophy, and especially on such subjects as tend to develop the resources of Australia, and to illustrate its Natural History and Productions.

President : Professor Liversidge ; *Vice-presidents* : Mr. C. Moore, Professor T. W. E. David, Mr. Henry Deane, Mr. W. M. Hamlet. *Hon. Treasurer* : Dr. H. G. A. Wright. *Hon. Secretaries* : Mr. J. H. Maiden, Mr. G. H. Knibbs. *Members of Council* : Mr. C. O. Burge, Mr. C. W. Darley, Mr. F. B. Guthrie, Mr. H. A. Lenehan, Dr. F. H. Quaife, Mr. H. C. Russell, Mr. Henry G. Smith, Professor T. P. Anderson Stuart, M.D., Mr. J. Stuart Thom, Dr. F. Tidswell.

* * The ordinary general meetings of the Society take place in the Society's own premises, 5 Elizabeth-street North, Sydney, at 8 p.m., on the first Wednesday in every month during the last eight months of the year.

Every ordinary member has the privilege of introducing two friends as visitors to an Ordinary General Meeting of the Society or its sections, on certain conditions.

The entrance fee is £2 2s., and the annual subscription also £2 2s. The amount of ten annual payments may be paid at any time as a life composition for the ordinary annual payment.

Medical Section of the Royal Society of New South Wales.

Objects.—For the reading and discussion of papers of scientific interest in the domain of medicine.

Chairman : Dr. W. Spencer. *Members of Committee* : F. H. Quaife, S. Jamieson, R. Pope, L. E. F. Neill. *Hon. Secretaries* : Drs. J. A. Dick and F. Tidswell.

* * Meet at the Royal Society's Hall, Elizabeth-street, Sydney, on the third Friday in each month during the last eight months of the year, at 8.15 p.m. The meetings of the section are open to members of the Royal Society, who may introduce two friends as visitors.

Western Medical Association (Western Suburbs of Sydney).

(Founded in 1890).

The objects of the Association shall be :—

- (a) The consideration of all matters relating to medical science.
- (b) To advance the general and social interests of the profession.
- (c) To promote fair and honourable practice and decide on questions of professional usage and courtesy.

President : Dr. G. H. Abbott. *Vice-Presidents* : Dr. Mellroy and Dr. Maguire. *Hon. Treasurer* : Dr. Hetherington. *Hon. Secretaries* : Drs. Blackwood and Wood. *Members of Council* : Drs. Coutie, Piercy, A'Beckett McCarthy, and Fordyce.

* * Meet at Petersham Town Hall at irregular intervals. The annual subscription is 10s. 6d.

Eastern Suburbs Medical Association of Sydney.*(Founded in 1890).*

The objects of the Association are the same as those of the Western Medical Association, and, in addition, to hold meetings for the discussion of subjects of special interest to members and honorary members practising in the Eastern Suburbs of Sydney, viz., Paddington, Woollahra, Vaucluse, Waverley and Randwick; to urge upon the various Borough Councils and sanitary authorities the necessity, where such exists, for constructing sanitary works, &c., and otherwise to prevent as far as possible the spread or outbreak of disease in the district.

President: Dr. F. H. Quaife, Woollahra. *Vice-president*: Dr. P. J. Collins, Woollahra. *Hon. Treasurer*: Dr. H. Walton Smith, Paddington. *Hon. Secretary*: Dr. J. A. Dick, Randwick. *Members of Council*: Drs. W. J. Barkas, G. L. Mullins, M. Matheson.

* * Meet at the Paddington Town Hall in January, February and March of each year. The annual meeting and reunion is held early in October. The annual subscription is 10s.

Northern Suburbs Medical Association.

(Established September 11, 1891, as the North Sydney Medical Association; altered to above designation April 27, 1900).

The objects of the Association are the same as those of the Western Medical Association.

President: Dr. Rorke. *Hon. Treasurer and Librarian*: Dr. Doak, Mosman. *Hon. Secretary*: Dr. Clarence Read, Chatswood.

* * Meet occasionally at residence of one of the members.

Newcastle Medical Society.

(Founded in 1885; resuscitated in 1890.)

Its objects are:—Promotion of all branches of Medical Science and of the common interests of the Medical Profession.

President: Dr. W. L'E. Eames. *Vice-president*: Dr. R. Dick. *Hon. Treasurer*: Dr. Spark. *Hon. Secretary*: Dr. W. Nickson.

* * Meet at the Newcastle Hospital on the third Thursday in every month, from March to October inclusive. The annual subscription is 10s.

Sydney University Medical Society.

(Established in 1885.)

Its objects are:—The intellectual and social improvement of its members by Lectures, Essays and Discussions in any branch of Medical Science, and by any other means calculated to advance the objects of the Society.

President: W. F. Burfitt, B.A., B.Sc., M.B., Ch.M. *Vice-presidents*: H. J. W. Brennand, B.A., M.B., Ch.M.; E. M. Pain, M.B., Ch.M.; W. E. Harris, M.B., Ch.M.; F. G. Griffiths, B.A.; A. H. Mackintosh. *Hon. Secretary*: E. V. Barling. *Hon. Treasurer*: R. H. W. Maffey, B.A. *Hon. Librarian*: A. I. Blue. *Hon. Auditors*: E. W. Ludowici, M.B., Ch.M.; A. G. Corbin, B.Sc., M.B., Ch.M. *Editors of Society's Journal*: J. B. Clelland, M.B., Ch.M.; F. G. Griffiths, B.A.; H. M. Anderson, B.A.

* * All teachers in the Faculty of Medicine in the University of Sydney are honorary members *ex officio*.

* * The Meetings are held in the Harvian Theatre of the Medical School, Sydney. There are six meetings in the year, generally on Friday evenings. The official organ is the Medical Supplement to "Hermes," issued once during term. The yearly subscription is 2s. 6d., or 10s. 6d. for the whole academic course, if paid in advance. One payment of £1 ls. ensures life membership.

All Students of Medicine, and all Medical men whose qualifications are recognised by the University of Sydney, are eligible for membership.

Linnean Society of New South Wales.

(Established in 1875, and Incorporated 1884.)

Objects.—The Linnean Society of New South Wales is instituted for the cultivation and study of the science of Natural History in all its branches. (Under the will of the late Sir William Macleay this society has received the sum of £12,000 to maintain a bacteriologist, who shall engage in original research, but he also gives instruction to a limited number of pupils; a well-equipped bacteriological laboratory is attached).

President: Hon. James Norton, LL.D. *Vice-presidents*: J. C. Cox, M.D.; Prof. J. T. Wilson, M.B.; H. Deane, M.I.C.E.; Prof. T. W. E. David, F.G.S. *Hon. Treasurer*: P. N. Trebeck. *Librarian*: J. J. Fletcher, M.A., B.Sc. *Members of Council*: C. Darley, C.E.; J. H. Maiden, F.C.S.; P. R. Pedley; T. Dixon, M.B. J. R. Garland, M.A.; A. H. S. Lucas, M.A.; B. T. Baker, F.L.S.; Prof. W. A. Haswell, D.Sc.; C. Hedley, F.L.S.; T. Steel, F.C.S.; F. Turner, F.L.S.; W. W. Froggatt, F.L.S. *Secretary*: J. J. Fletcher, B.Sc. *Bacteriologist*: Mr. R. Greig Smith, M.Sc.

* * Meet at the Linnean Hall, 23 Ithaca Road, Elizabeth Bay, Sydney, on the last Wednesday in every month, at 8 p.m., except during December, January and February. The annual subscription for members is £1 ls., with an entrance fee of £2 2s., and for associate members £1 ls., with £1 ls. entrance fee.

NEW ZEALAND.

The New Zealand Branch of the British Medical Association.

(Established in 1896.)

President: Dr. M. Thomas (Christchurch). *President-elect*: Dr. G. R. Saunders (Wanganui). *Chairman of Council*: Dr. W. Fell (Wellington). *General Secretary*: Dr. G. Campbell (Christchurch). *Parliamentary Secretary*: Dr. M. Mason (Otaki).

* * This Branch is divided into five Sections, having their headquarters at Auckland, Wellington, Nelson, Christchurch, and Dunedin; each Section governs itself, and holds regular monthly meetings. The annual subscription is £1 10s. General meetings are held annually in the large towns of New Zealand.

Auckland Section.

(Formed as an Association in 1883, and incorporated as a Branch of the B.M.A. in 1897.)

Objects.—Promotion of interests and discussion of subjects of interest to members of the Medical Profession.

President: Dr. T. Hope Lewis. *Vice-presidents*: Drs. McDowell and T. O. Williams. *Hon. Treasurer*: Dr. Parkes. *Hon. Secretary*: Dr. Maurice Purchas (Auckland). *Members of Council*: Drs. Knight and Pabst.

* * Meet second Wednesday in each month at Y.M.C.A. Rooms, at 8 p.m. The annual subscription is 31s. 6d.

Canterbury Section.

Objects.—The advancement of medical and surgical science, and the promotion and supervision of the common interests of the medical profession.

Office Bearers.—No returns.

* * Ordinary meetings are held on the second Thursday in each month at the Public Library, Christchurch. The annual subscription of town members is £1 11s. 6d., and for country members £1 1s., including the *N. Z. Medical Journal*. Any medical man registered in New Zealand, who has been in the country for six months, is eligible for election.

Nelson Section.

Objects.—(1) To report and discuss surgical and medical matters and others strictly of interest to the profession. (2) To maintain the status of the medical profession. (3) To assist the medical men in the district to meet socially.

Office Bearers.—No returns.

* * Meetings take place monthly at the hospital, or at the private residence of members. The annual subscription for town members is 21s., and for country members, 10s. 6d.

Otago Section.

(Established in 1897.)

Objects.—To meet and discuss matters of interest to medical men, and to exhibit cases which have any striking or unusual features.

President: Dr. R. V. Fulton. *Vice-presidents:* Drs. Barnett and Colquhoun. *Hon. Secretary and Treasurer:* Dr. Marshall Macdonald, Dunedin. *Standing Committee:* Drs. Batchelor, Hocken, and Roberts. *Library Committee:* Drs. Barnett, Colquhoun, Macdonald, and the House Surgeons of the Hospital.

* * Meet at Dunedin Hospital monthly from March to October. The annual subscription is 30s. per annum.

Wellington Section.

Objects.—Discussion of professional subjects, ethics, etc.

President: Dr. T. Cahill. *Hon. Secretary:* Dr. H. W. M. Kendall, Wellington.

* * The annual subscription is 30s.

New Zealand Medical Defence Union, Limited.

(Registered at Christchurch in 1896.)

Objects.—(i.) To acquire and take over by purchase, gift, or otherwise, the funds, books, and other assets belonging to an unincorporated body known as "The New Zealand Medical Defence Union." (ii.) To support and protect the character and interests of medical practitioners practising in the colony of New Zealand. (iii.) To promote honourable practice, and to suppress or prosecute unauthorised practitioners. (iv.) To advise and defend, or assist in defending, members of the Union in cases where proceedings involving questions of professional principle, or otherwise, are brought against them. (v.) To consider, originate, promote and support (so far as is legal) legislative measures likely to benefit the medical profession, and to oppose all measures calculated to injure it; and for the purposes aforesaid to petition Parliament and take such other steps and proceedings as may be deemed expedient. (vi.) To form a fund out of any surplus moneys belonging to the Association for the assistance of unfortunate members of the profession, or their widows and children. (vii.) In the attainment of the above objects to do all such things as are incidental or conducive thereto (amongst other things), to purchase, lease, exchange or hire any real and personal estate and property, and take or acquire all rights or privileges which

the Union may think necessary or convenient for its purposes to make, accept, endorse and execute promissory notes, bills of exchange, and other negotiable instruments ; to invest the moneys of the Union not immediately required, upon such securities as may be from time to time determined ; to raise money in such manner as the Union shall think fit ; to sell, manage, develop, lease, mortgage, dispose of or otherwise deal with all or any part of the Union's property.

President : Dr. E. Jennings. *Hon. Treasurer* : Dr. L. S. Manning (Christchurch). *Members of Council* : Drs. R. W. Anderson, C. M. Anderson, W. Thomas. *Hon. Secretary* : Dr. Jas Irving (Christchurch).

* * The annual subscription is 5s., with a liability of 15s. more. The annual meetings are held at Christchurch.

New Zealand Medical Benevolent Fund.

(Established in 1895.)

Objects.—The relief of legally qualified medical men and their families under severe and urgent distress, occasioned by sickness, accident, or other calamity ; also to provide annuities for the aged or disabled among them, as soon as funds will permit.

President : Dr. E. Jennings. *Vice-presidents* : Presidents of all the Sections of the New Zealand Branch of the British Medical Association. *Hon. Treasurer*, Dr. L. S. Manning. *Trustees* : Drs. C. Nedwill and C. M. Anderson. *Members of Committee* : Drs. W. Thomas, J. H. Townend, and R. W. Anderson. *Hon. Secretary* : Dr. Jas. Irving, Christchurch.

* * The annual subscription is 20s. or more ; every person who contributes £10 or more in one sum shall be a life member.

The Otago Institute.

(Established in 1869, and Incorporated with others as part of the New Zealand Institute.)

Objects : The promotion of Art, Science, Literature and Philosophy.

President : E. Mellaird. *Vice-presidents* : A. Bathgate, F. R. Chapman. *Hon. Treasurer* : J. Crosby-Smith. *Hon. Secretary* : Prof. W. B. Benham, D.Sc. *Members of Council* : A. Hamilton, S. Barringham, F. B. Stephens, C. W. Chamberlain, G. M. Thomson, F.L.S. ; Dr. Hocken, Dr. Barnett.

* * Meetings take place monthly, from April to November inclusive, in the Biological Lecture Room of the Otago University Museum, Dunedin. The annual subscription is one guinea, which includes a copy of the yearly volume of the "Transactions of the New Zealand Institute."

QUEENSLAND.

Queensland Branch of the British Medical Association.

President : Dr. John Thomson. *Vice-president* : Dr. Francis. *Council* ; Drs. Byrne, Connolly, Hardie, and Taylor. *Hon. Treasurer* : Dr. P. Bancroft. *Hon. Secretary* : Dr. Brockway, Brisbane. *Auditors* : Drs. Macnamara and Orr.

* * Meet at the A.M.P. Chambers, Brisbane, on the second Friday in the month, at 8.30 p.m.

Queensland Medico-Ethical Association.

The Objects of the Association are—

- (a) The consideration of all matters relating to the welfare of the medical profession.
- (b) To advance the general and social interests of the profession.
- (c) To promote fair and honourable practice, and decide on questions of professional usage and courtesy.

Office Bearers.—No returns.

* * The annual general meeting takes place in the last week of June for the election of office-bearers and for general business of the Association. The annual subscription is 10s. 6d.

Royal Society of Queensland.

(Incorporated in 1883 with the Philosophical Society of Queensland, which was founded in 1859.)

*The Objects of the Society are—*The furtherance of natural and applied science, more especially by means of original research.

Patron: His Excellency the Right Hon. Lord Lamington. K.C.M.G. *President:* Dr. John Thomson. *Vice-president:* W. J. Byram. *Hon. Treasurer:* Hon. A. Norton, M.L.C. *Hon. Librarian:* R. Illidge. *Hon. Secretary:* J. F. Bailey. *Hon. Auditor:* A. J. Turner. *Members of Council:* J. Shirley; F. M. Bailey, F.L.S.; A. G. Jackson; C. J. Pound, F.R.M.S.; J. W. Sutton.

* * Meet at the Technical College, Ann-street, Brisbane, on the Saturday following the first Monday in every month. The annual subscription is £1 ls. Entrance fee also £1 ls.

SOUTH AUSTRALIA.

South Australian Branch of the British Medical Association.

(Established on June 19, 1879. First President, Dr. W. Gosse.)

*The Objects of the Association are—*To promote the advancement of medical and surgical science, and the reading and discussion of original papers, and the exhibition of specimens and cases; to form a bond of union among the members of the profession, and a medium through which their opinions can be easily ascertained and expressed; and to advance the general and social interests of the profession.

President: Dr. Marten. *Hon. Secretary:* Dr. Gunson, Adelaide.

* * Meet at the Adelaide Hospital on the third Thursday in every month, December excepted. The annual subscription is £2 2s., which includes the *British Medical Journal* and the *Australasian Medical Gazette*.

Medical Defence Association of South Australia.

(Established January 1, 1900.)

Objects.—(1) The mutual defence of the interests of the medical profession. (2) The discussion of lodge and ethical matters. (3) The granting of relief to any member who may be involved in any action at law, arising out of the practice of his profession, within the colony of South Australia.

President: Dr. H. Swift. *Hon. Treasurer:* Dr. W. T. Hayward. *Hon. Secretary:* Dr. J. Michie, Adelaide. *Members of Council:* Drs. J. A. G. Hamilton, J. H. Henderson, R. Stewart, and A. E. Wigg.

* * The annual subscription is one guinea. General meetings are held at the University, and Council meetings at the President's house.

Medical Benevolent Association of South Australia.

(Established in 1881.)

The Objects of the Association are—To relieve distress occurring in the families of medical men practising in the colony of South Australia, and to aid in educating and bringing up their children; and to form bursaries, &c., for the assistance of medical students, the sons of medical men. Claimants who are the sons of subscribers shall have the preference.

Hon. Secretary: Dr. W. L. Cleland, Parkside Asylum. *Members of Committee:* Drs. Corbin and A. A. Hamilton.

* * Meet in Adelaide in January of each year. The annual subscription is 10s. and upwards. Donors of £10 to be members for life.

Royal Society of South Australia.

(Established January 10, 1853.)

Office Bearers: No returns.

* * Meet at the South Australian Institute, Adelaide, on the first Tuesday in each month. The annual subscription is £1 1s. Papers containing results of original and new scientific matter received and printed in proceedings.

TASMANIA.

Royal Society of Tasmania.

(Established 1844.)

Office Bearers.—No returns.

* * Meet at the Museum Buildings, Hobart, on the second Tuesday in every month, from April to November inclusive. Subscription, 30s. per annum.

Objects.—The leading objects of the Society are to develop the physical character of the island, and to illustrate its natural history and productions. The election of all persons into the Society is by ballot.

Medical Section of the Royal Society of Tasmania.

(Established in 1897.)

Objects.—To allow members of the Royal Society, who devote attention to particular branches of Medical Science, fuller opportunities and facilities of meeting, and working together with fewer formal restrictions than are necessary at the general monthly meeting of the Society. Also to guard the interests of the Medical profession in the colony.

Patron: Sir James Wilson Agnew, M.D., K.C.M.G. *President:* R. S. Bright, M.R.C.S. Eng. *Vice-presidents:* G. H. Butler, M.R.C.S. Eng., and Edward L. Crowther, M.D. Aberd. *Hon. Treasurer:* A. H. Clark, M.R.C.S. Eng., L.R.C.P. Lond. *Hon. Secretary:* Gregory Sprott, M.D. Glas. *Members of Committee:* J. E. Wolfhagen, M.B. C.M. Edin., and C. E. Barnard, M.D. Aberd.

* * Meet at the Royal Society's Rooms on the first Wednesday of the month, excepting November, December, January and February. The annual subscription is 10s., but all members must be members of the Royal Society. The Section is subsidised by the Society to the extent of £12 per annum for the purpose of building up a Medical library.

Launceston Sub-Branch of the British Medical Association.

President: Dr. J. G. Johnson. *Hon. Secretary:* Dr. G. H. Hogg.

* * The annual subscription is two guineas.

VICTORIA.

Medical Society of Victoria.

(Founded July 18th, 1855, by amalgamation of the Victorian Medical Association and the Medico-Chirurgical Society of Victoria.)

Objects.—The promotion of all branches of medical science and of the common interests of the medical profession.

President: Dr. J. W. Barrett. *Vice-presidents*: Drs. Grant and C. Martin. *Hon. Treasurer*: Dr. Mollison. *Hon. Librarians*: Drs. A. W. F. Noyes and J. Buchanan. *Hon. Auditors*: Drs. Horne and Bage. *Hon. Secretary*: Dr. Edward Gault, Collins-street, Melbourne. *Members of Committee*: Mr. F. D. Bird, Mr. A. L. Kenny, Mr. Hamilton Russell, Drs. Boyd, Gresswell, G. T. Howard, Maudsley, W. Moore, Stawell, and A. Jeffreys Wood.

* * Meet on the first Wednesday in every month at the Hall of the Medical Society, Albert-street, East Melbourne. The annual subscription is £2 2s., which includes the *Lancet* and the free use of the society's medical library. The official organ of this society is the *Intercolonial Medical Journal*, published monthly.

Victorian Branch of the British Medical Association.

(Established in 1879.)

Objects.—(a) To promote the advancement of medical and the allied sciences, and the advancement of the honour and interests of the medical profession. To form a bond of union among the members of the profession, and a medium through which their opinions can be easily ascertained and expressed. (b) To advance the general and social interests of the profession. (c) To promote fair and honourable practice; to suppress habitual unqualified practice; and to decide upon questions of professional usage and courtesy. (d) To correspond with bodies or individuals on any matter touching medical interests, and, by moral influence and the exercise of a judicious supervision, to prevent abuses in the profession. (e) To consider any subject connected with the appointments of medical men to public institutions and services. (f) To consider any question of medical polity. (g) To further the federation of the medical profession in the various colonies of Australasia.

President: Dr. J. E. Neild. *Vice-president*: Dr. F. M. Harricks. *Hon. Treasurer*: Dr. Mullen. *Hon. Secretary*: Dr. W. B. Vance. *Local Editor*: Dr. Henry. *Members of Council*: Drs. Cuscaden, Cox, Dyring, Willis, R. E. Weigall, Macansh, Hamilton.

* * Meet at the Hall of the Victorian Medical Society, Melbourne, on the third Wednesday in every month. The annual subscription is £2 2s., which includes the *B. M. Journal* and *Australasian Medical Gazette*.

Victorian Medical Benevolent Association.

(Founded in 1865.)

Objects.—The relief of legally-qualified medical men or their families in distressed circumstances.

President: Dr. Gresswell. *Vice-presidents*: Drs. J. P. Ryan and Moore. *Hon. Secretaries*: Drs. Neild and Mullen. *Treasurer*: Dr. Brett. *Trustees*: Sir Thomas FitzGerald, Dr. Neild, and Dr. Gresswell.

* * Meet at the Hall of Medical Society, or house of Secretary.

Medical Defence Association of Victoria, Ltd.

Objects.—(1) To support and protect the character and interests of legally-qualified medical practitioners practising in the colony of Victoria. (2) To promote honourable and to discourage irregular practice. (3) To advise and defend, or assist in defending, members of the association in cases where proceedings, involving questions of principle or otherwise, are brought against them. (4) To consider, originate, promote, and support or oppose, so far as is legal, legislative measures affecting legally-qualified medical practitioners in their relations to the State or public, and for such purposes to take such steps as may be legal and expedient. (5) In the attainment of the above objects to do all such things as are incidental or conducive thereto.

Office Bearers.—No returns.

**** Council meets on the second Tuesday in each month. The annual subscription is 10s.

Melbourne Medical Association.

(Established in 1890.)

Objects.—(a) To foster the spirit of unity among Melbourne University Medical men; to afford a medium through which the opinions of members may be ascertained and expressed, and to protect and promote the interests of the medical profession generally. (b) To promote fair and honourable practice and courtesy between members. (c) To correspond with bodies or individuals in the colonies or elsewhere on any matter touching the interests of members. (d) To consider any subject connected with the appointment of medical men to public institutions, situations or services.

President: Dr. J. W. Springthorpe. *Vice-presidents:* Dr. J. R. M. Thomson and Dr. Bage. *Committee:* Mr. G. A. Syme, Dr. Bennie, Dr. H. Lawrence, Dr. D. M. Officer, Dr. F. J. Owen, Dr. R. R. Stawell. *Hon. Steward:* Dr. A. V. M. Anderson. *Hon. Treasurer:* Dr. S. S. Argyle. *Hon. Secretary:* Dr. D. Murray Morton, Richmond.

**** The Association meets at the Melbourne Hospital on the Thursday immediately following the second Friday of the month, at 8.15 p.m. The annual subscription is 10s. 6d.

In order to foster good fellowship amongst members, two meetings in the year are of a social nature, with a supper, and are invariably very successful.

N.B.—Membership of the Association is confined to registered male graduates by examination in medicine or surgery of the University of Melbourne, or legally qualified and registered male medical practitioners who have attended during three years at the Medical School of the Melbourne University. Ladies are not eligible for membership.

Society of Health Officers of Victoria.

(Established in 1896.)

Objects—(a) The improvement of the sanitation of the colony. (b) Providing of mutual advice and support in the performance of official duties.

President: Dr. J. Jamieson. *Members of Committee:* Drs. W. Morton, Courtenay, Branson, MacMullen, and Gunst. *Hon. Secretary and Treasurer:* Dr. W. C. Daish, 80 Collins-street, Melbourne.

Ballarat District Branch of the British Medical Association.

(Originally established in 1886.)

Objects.—The promotion of all branches of Medical Science and of the common interests of the profession.

President: Dr. Geo. Palmer. *Vice-president:* Dr. G. A. Scott. *Treasurer:* Dr. E. Champion. *Members of Committee:* Drs. T. A. Wilson, J. F. Usher, H. R. Salmon, W. B. Smith. *Hon. Secretary:* Dr. J. T. Mitchell.

**** The annual subscription is £2 2s., which includes both the *British Medical Journal* and the *Australasian Medical Gazette*. Meetings are held at the Club Hotel, Ballarat, on the last Thursday in January, April, July and October, at 8.30 p.m.

Goulburn Valley Branch of the British Medical Association.

(Established May, 1893; formed into a Sub-branch B.M.A. in October 1898.)

President: Dr. J. V. Heily (Rushworth). *Vice-presidents*: Dr. J. McKenna (Shepparton) and Dr. Jas. Harbison (Numurkah). *Hon. Treasurer*: Dr. Ken Herring (Shepparton). *Hon. Secretary*: Dr. J. W. Florance (Mooroopna).

* * Meet at Mooroopna once a quarter. The annual subscription is £2 2s.

The Medical Students' Society of the University of Melbourne.

(Established in 1880.)

The objects of the Society are—(1) To foster a more cordial understanding and a closer relationship between medical students, and to advance their knowledge and further their interests generally. (2) To advance the knowledge of the students in medical and kindred sciences.

President: Prof. Halford. *Vice-presidents*: Prof. Allen, Dr. Balls-Headley. *Hon. Secretary*: J. S. Yule. *Hon. Asst. Secretary*: J. A. McLean. *Hon. Treasurer*: T. R. Inglis. *Hon. Auditor*: Dr. Langlands.

* * Meet in the Operating Theatre of the Melbourne Hospital once a fortnight during the first two University terms. The annual subscription is 7s. 6d., including the *Speculum*, a journal published three times a year, the literary organ of the Society, and admission to the Society's rooms at the University. There are two annual Smoke nights, and an annual lecture at the Wilson Hall.

N.B.—Any member or duly qualified medical practitioner who shall present five guineas (£5 5s.) or its equivalent to the society shall, upon the recommendation of the committee, be enrolled as a life governor, with all the privileges of an ordinary member.

Royal Society of Victoria

(Founded in 1854 for the advancement of science, literature, and art, with especial reference to the development of the resources of the country.)

President: Prof. W. C. Kernot. *Vice-presidents*: Messrs. E. J. White and H. K. Rusden. *Hon. Treasurer*: Mr. C. R. Blackett. *Hon. Librarian*: E. J. Hogg. *M.A. Hon. Secretary*: T. S. Hall, M.A.

* * Meet at the rooms of the society, Victoria-street, Melbourne, on the second Thursday in each month from March to December. Entrance fee for new members is £1 1s., and the annual subscription is £2 2s. for members, and £1 1s. for country members and associates.

WESTERN AUSTRALIA.

Medical Association of West Australia.

(Established in 1897.)

Objects.—(1) The advancement of medical Science. (2) The promotion of the welfare of the profession. (3) The encouragement of good fellowship.

Office Bearers.—No returns.

* * Meet alternately at the Perth and Fremantle Hospitals on the first Wednesday in each month, at 8 p.m. The annual subscription is 10s. 6d.

TABLE OF FEES

OF THE

AUCKLAND SECTION OF THE NEW ZEALAND BRANCH B. M. A.

The Association determined, at the recommendation of the Committee, to adopt the house rental as the basis upon which to found the classification of patients in the matter of fees; and the classification recommended by the Committee, and adopted by the Association, was that class A should include those whose weekly rental was less than £1 (one pound); Class B, from £1 to 30s.; Class C, from 30s. upwards; so that the items of the Tariff are as under:—

1.—Ordinary Visit.

Class A—from 5s. to 7s. 6d. per visit. Class B—from 7s. 6d. to 10s. 6d. per visit. Class C—from 10s. 6d. to 21s. per visit.

2.—Special Visit (ordinary visit fee and a half).

Class A—from 7s. 6d. to 10s. 6d. per visit. Class B—from 10s. 6d. to 15s. per visit. Class C—from 15s. to 30s. per visit.

3.—Night Visit (double ordinary visit fee).

Class A—from 10s. to 15s. per visit. Class B—from 10s. 6d. to 15s. per visit. Class C—from 21s. to 42s. per visit.

4.—Mileage.

In town practice, over one mile : 5s. per mile, in addition to ordinary fee. In country practice : 5s. to be the minimum charge per mile.

5.—Detention.

The fee for detention to be from 10s. 6d. to 21s. per hour. An ordinary visit shall be considered to occupy not more than fifteen minutes.

6.—Advice.

The minimum fee to be 5s., wheresoever the advice be asked.

7.—Letter of Advice.

Fee to be the same as for ordinary visit.

8.—Servants.

The fees for servants to be those of Class A.

9.—Consultation.

Regular attendant, double ordinary fee. Consultant, 21s. as minimum. [This may be relaxed at desire of practitioner previously in attendance.]

10.—Two or more Patients in one House.

(a) Of same family : Extra charge, at discretion of practitioner. (b) Of different family : Full fee for each.

11.—Midwifery and Premature Labour.

Class A—from 42s. to 63s. ; Class B—from £3 3s. to £5 5s. ; Class C—from £5 upwards. Including attendance, according to arrangement with patient at the time of engagement ; or at discretion of practitioner, if not previously engaged. When any operation, such as forceps or turning, required, one half additional fee to be charged.

RIDER—The midwifery fee shall include the fee of one guinea to be charged for engagement, and payment of it enforced in case of practitioner not being sent for to attend the case.

12.—Abortion

The same fee as midwifery fee.

13.—Vaccination.

The fee to be 5s. at practitioner's house. At patient's house, according to the visits made. In both cases, the fees to be in addition to the midwifery fee.

14.—Certificates.

The same fee as for an ordinary visit. Special Certificates not under £1 1s.

REGULATIONS AFFECTING MEDICAL ATTENDANCE

ON BEHALF OF AUSTRALIAN GOVERNMENTS.

NEW SOUTH WALES.

The following Regulations came into force on the 6th May, 1899 :—

1.—Ordinary Visits.

A fee of ten shillings is allowed for a visit to a patient within a distance of one mile from the practitioner's residence. This fee includes the supply of all necessary medicines, dressings, &c. A double fee (*i.e.* twenty shillings) is allowed for this service when the visit is made between the hours of 10 p.m. and 5 a.m.

2.—Tooth Extraction.

No separate charge is allowed for tooth extraction, which is covered by the visiting or other fee of ten shillings.

3.—Midwifery Cases.

The fee in midwifery cases is three guineas. This includes attendance to the tenth day inclusive.

4.—Operations—Special Reports.

Fees for operations and for reports on special matters will be paid at rates to be fixed by the Chief Medical Officer of the Government.

5.—Examination and Evidence at Police Courts, &c., &c.

The fee for examination, issue of certificate, and evidence in Court in lunacy and other cases (excepting rape and criminal assault) is one guinea, whether the examination be made on the same day on which the evidence is given or previously.

6.—Examination, &c., for Hospital or Benevolent Asylum.

The fee for the examination of a pauper patient destined for a benevolent asylum or public hospital, and the issue of a certificate regarding his or her fitness to travel thither, is ten shillings.

7.—Rape and Criminal Assault Cases.

In cases of rape and criminal assault the fee for examination is one guinea for each person examined, in addition to a fee of one guinea for evidence, if given.

Where two or more cases (excepting rape and criminal assault) are dealt with at the same time and place, half fees only are allowed after the first.

In cases which are adjourned for further hearing by the Bench of Magistrates, half fees only are allowed for every hearing after the first.

8.—Examination of Dead Body.

The fee for examination of, and report on, the body of a person lying dead is one guinea. To properly constitute a *post-mortem* examination, the head, chest, and abdomen must be opened. (See next page.)

9.—Diseased Animals and Meat Act.

The fee for examination of a live animal or of a carcase at a slaughter-house is one guinea ; with an additional fee of one guinea if evidence is given in Court.

10.—Mileage.

The following shall be the Scale of Fees payable for Medical Attendance at Lock-ups and elsewhere, upon requisition of the Police, for each mile up to twenty-five miles, to include all necessary Medicines, Dressing, &c.:—

Visit under	1 mile from Medical man's residence	£	s.	d.
"	2 miles	0	10	0
"	3 "	0	15	0
"	4 "	1	0	0
"	5 "	1	5	0
"	6 "	1	10	0
"	7 "	1	17	0
"	8 "	2	4	0
"	9 "	2	11	0
"	10 "	2	18	0
"	11 "	3	5	0
"	12 "	3	12	0
"	13 "	3	19	0
"	14 "	4	6	0
"	15 "	4	13	0
"	16 "	5	0	0
"	17 "	5	7	0
"	18 "	5	14	0
"	19 "	6	1	0
"	20 "	6	8	0
"	21 "	6	15	0
"	22 "	7	2	0
"	23 "	7	9	0
"	24 "	7	16	0
"	25 "	8	3	0
"	"	8	10	0

This table includes fees for ordinary visit ; but to obtain mileage only, deduct ten shillings.

For each case after the first, an additional fee of five shillings will be allowed but no mileage.

For journeys made by rail, one-fourth only of the mileage rate will be allowed.

11.—Fees to Medical Witnesses at Inquests or Inquiries for giving evidence and making post-mortem examinations ; and Mileage for travelling to attend the Court.

In accordance with the provisions of the Fourth Section of 1 Victoria No. 3 (Medical Witnesses Act), the remuneration allowed to medical witnesses at Coroners' Inquests and Magisterial Inquiries is as follows :—

For giving evidence, £1 1s.

For making *post-mortem* examination, £2 2s.

For mileage under 10 miles from residence, Nil.

For mileage above 10 miles from residence, 1s. per mile (one way only).

"Where a death shall have happened in any public hospital, gaol, or other public building, no medical officer appointed with salary to attend such hospital, gaol, or building shall be entitled to any remuneration."

Coroners must forward direct to the Chief Medical Officer of the Government, at the close of the month of service, properly prepared, all claims for medical witnesses, and furnish him, when called upon, with any information he may deem necessary to enable him to deal with such claims.

In exceptional and special cases where a medical man has travelled over 20 miles to the scene of an inquest, the Coroner may represent the facts to the Chief Medical Officer of the Government, with a view to the witness being specially remunerated. In every such case the Coroner should state the length of time the doctor was absent from his residence, the means of conveyance employed, the actual expenses incurred, and the amount of the extra fee which in his judgment should be paid.

QUEENSLAND.

Fees to Medical Men within a Radius of Two Miles from their Residence.

Ordinary visits—between 8 o'clock a.m. and 8 o'clock p.m., 10s. 6d. ; between 8 o'clock p.m. and 8 o'clock a.m., £1 1s. ; giving evidence, £1 1s. ; minor and major operations, in addition to visiting fee, £1 1s. ; lunacy cases—examination of the patient and evidence in lunacy, £1 1s. ; mileage—from medical man's residence to place where patient is seen, for each mile travelled beyond second mile, 5s. *Note*.—Four miles by rail equal to one by road.

In cases where more than one patient is medically attended during a visit at a lockup or other place, only half fee for each visit after the first is to be charged, and mileage shall be charged for as if the attendance was on one person only. This is not to refer to operations.

* * When there is no special Act requiring the medical practitioner to attend, the officer should inform him that the Department has no desire to pay him any less charge than would be made by him reasonably to the public, and that his account will be dealt with fairly, and if the Department disputes it the matter will be submitted to the Medical Board for adjustment.

But in cases where the law compels a medical man to render assistance, the police should see that all requisites are first complied with.

In the case of medical attendance on prisoners and constables, where there is no salaried medical officer, the fee payable by the Department will be as per following scale :—

Fees to be Paid to Medical Practitioners for Work done for the Prisons Department.

Gaols on mainland, where there is no salaried Medical Officer: For every visit within two miles of doctor's residence, at any hour, and to any gaol, £1 1s. ; for any operation, major or minor, in addition to visiting fee, £1 1s. ; for examination of prisoner previous to flogging, or for witnessing flogging, £1 1s. ; witnessing execution, £1 1s. ; mileage—for every mile travelled over two miles, 5s. *St. Helena*: For each visit, £5 5s.

WESTERN AUSTRALIA.

Attendance on Government Officers and their Families by the District Medical Officers.

1. Officers who entered the Civil Service of the colony prior to 8th July, 1886, and their families, are entitled to free medical attendance and medicine, and such attendance will be given to them by the District Medical Officer in whose district they may be stationed.

2. The word "family" is to be understood to mean those persons who constitute an officer's ordinary household, and live under his roof and at his expense, having no means of their own. Able-bodied sons of over 18 years of age, and grown up persons who may live in the house for sake of convenience, or reside there as servants, etc., are not included in the word "family."

3. The members of the police force throughout the colony are entitled to free attendance and medicine from the District Medical Officer, but not their wives and families, unless such officers entered the service prior to the 8th July, 1886.

4. Officers in the permanent employ of the Government, and stationed on the goldfields or in the tropical part of the colony, are entitled (subject to rule 7) to medical attendance and medicine ; but if admitted to a Government Hospital they must pay three-fourths of the ordinary rate per diem for maintenance.

5. Government officers travelling beyond their districts on duty are entitled to the gratuitous services of District Medical Officers who, however, will be entitled to charge the Government with the actual cost of medicines *supplied*, unless in lieu of drug allowance they receive their medicines from the Department.

6. Except when travelling on duty, Government officers will not be entitled to medical attendance or medicines when out of their districts.

7. No Government officer is entitled to medical attendance at public cost in a district where no Medical officer is stationed.

8. Government officers, whose salaries are under £400 per annum, when requiring medical attendance for themselves or their families, may be required (when able to do so) to attend personally at the residence or hospital of the District Medical Officer of their respective districts, at such hours as may be notified for the purpose.

9. Government officers residing at a distance of more than one mile from the boundary of any town in which a Medical Officer may be employed, must, when requiring medical aid for themselves or their families, communicate with the District Medical Officer at his residence, and, in cases of emergency, the District Medical Officer will proceed to the patient's house, and will repeat the visit if necessary; but such attendance is not to be prolonged at the expense of the Government.

10. Officers, voluntarily and for their own convenience, residing out of the district to which they are officially attached, will not be entitled as a matter of right to free medical attendance and medicines from the Medical Officer of the district in which they are so residing.

11. If at any time the post of Medical Officer should be vacant in any district, or if, from any other cause, the services of such Medical Officer are not available, the Medical Officer of an adjacent district will be required to give his services to that district when called upon by the Principal Medical Officer, Government Resident, or Resident Magistrate to do so.

12. District Medical Officers giving their attendance under Sections 9, 10, and 11 will provide their own means of transport, and be entitled to mileage at the rate of one shilling per mile one way.

13. District Medical Officers on the goldfields will be entitled to 5s. per mile one way; and all District Medical Officers will, in addition, be entitled to receive subsistence allowance at the rate of 15s. per diem; one day to mean three meals and one night away from their proper place of residence. If they are able to return to their proper place of residence within nine hours, only 2s. 6d. will be allowed. Officers on the Coolgardie, Yilgarn, Murchison, and Dundas Goldfields will be entitled to charge twenty-five per cent. additional to the above subsistence rates when called out of their districts. When called out of their districts under the provisions of Section 11, all District Medical Officers will, in addition to the usual subsistence rates, be entitled to charge one guinea for each day of their absence.

14. Mileage and expenses due in respect of visits to Government officers shall be defrayed by such officer if residing beyond a townsite, except by order of Government, who will then recoup the District Medical Officer.

15. Expenses so incurred will be paid from public funds, on receipt of certificates from the District Medical Officer to the effect that the visits paid under Section 9 were absolutely urgent, or the duties performed under Section 11 were undertaken on the requisition of the Principal Medical Officer, Government Resident, or Resident Magistrate.

16. District Medical Officers are exempted from attendance at the accouchement of the wives of public servants, and on cases of venereal disease, and cases resulting from the abuse of alcohol.

FEES FOR PERFORMING POST-MORTEM EXAMINATIONS AND GIVING EVIDENCE AT INQUESTS.

In the Australasian colonies legally qualified medical men are allowed a fee of two guineas for performing a *post-mortem* examination by direction of a Coroner, and a fee of one guinea for giving evidence at an inquest, with an extra allowance of 1s. for every mile (one way only) beyond the first ten miles from the doctor's residence, but in Western Australia the fee for giving evidence at an inquest is only 15s., and no fees are paid for *post-mortems* upon the blacks, nor for witnessing flogging. In no case are any fees paid, unless the medical man takes care that he is duly served with a subpoena signed by a J.P. or magistrate.

THE

AUSTRALASIAN MEDICAL DIRECTORY:

CONTAINING THE NAMES OF ALL KNOWN LEGALLY QUALIFIED
PHYSICIANS, SURGEONS, AND GENERAL PRACTITIONERS RESI-
DENT IN AUSTRALIA, TASMANIA, NEW ZEALAND, FIJI, SAMOA,
TONGA, NEW HEBRIDES, AND NEW GUINEA, WITH THEIR
ADDRESSES AND QUALIFICATIONS.

* * *The majority of the gentlemen whose addresses are not given are travelling as
medical referees to the various Life Assurance Societies.*

- WETHERELL, BENJAMIN JOHN, M.R.C.S. Eng. 1850.—November 12, 1897, at Neutral Bay, near Sydney, aged 70.
- WHITCOMBE, WILLIAM PHILIP, M.R.C.S. Eng. 1853.—October, 28, 1896, at Ballarat, Vic., aged 67.

WHITTELL, HORATIO THOMAS, M.R.C.S. Eng. 1848; M.D. Aberd. 1859; M.D. Adel. 1877.—August 21, 1899, at Adelaide, S.A.

WICKS, CHARLES, L.R.C.P. *et* R.C.S. Edin. 1886.—In 1899, at Carnarvon, W.A.

WILLIAMS, FREDERICK, L.S.A. Lond. 1840; M.R.C.S. Eng. 1841.—In 1899, at Blinman, S.A.

WILLIAMS, SAMUEL IRVINE, L. *et* L. Mid. R.C.P. *et* R.C.S. Edin., L.F.P.S. Glas. 1892.—March 7, 1898, at Fitzroy, Vic., aged 32.

WILLIS, WILLIAM PARTON, L. *et* L. Mid. R.C.P. *et* R.C.S. Edin. 1892; L.F.P.S. Glas. 1892.—August 1, 1898, at Tibbooburra, N.S.W., aged 34.

WILLMOTT, JULIUS JOHN EARDLEY, M.R.C.S. Eng. 1872; M.B. *et* Ch.M. 1874, M.D. 1880, Aberd.—September 18, 1897, at Melbourne, Vic., aged 48.

WILSON, FRANCIS, M.R.C.S. Eng. 1858.—May 16, 1897, at Carlton, Melbourne, aged 59.

WILSON, SAMUEL, M.D. *et* Ch.M. Roy. Univ. Irel. 1885; L. Mid. K.Q.C.P. Irel. 1886.—June 24, 1897, at Bass, Vic.

WOODFORDE, ALFRED ERNEST, L.R.C.P. *et* R.C.S. Edin. 1884.—July 17, 1900, at Uralla, N.S.W.

WOODWARD, CHARLES RICHARD MILLS, M.R.C.S. Eng. *et* L.R.C.P. Lond 1893.—In November, 1897, at Toowoomba, Q.

WORKMAN, FRANCIS, M.R.C.S. Eng. 1855; L.S.A. Lond. 1856.—August 23, 1897, at Hamilton, Vic., aged 63.

WRIGHT, FRANCIS GEORGE, L. *et* L. Mid. R.C.P. *et* R.C.S. Edin. 1878.—January 3, 1897, at Berrigan, N.S.W.

YOUL, RICHARD, M.R.C.S. Eng. 1842; M.D. St. And. 1844.—August 6, 1897, at Melbourne, Vic., aged 72.

YOUNG, GEORGE JACOB, M.B. *et* Ch.M. Edin. 1882; of Horsham, Vic.—March, 1898, at sea.

LOCAL MEDICAL DIRECTORY :

AN ALPHABETICAL LIST OF POST TOWNS, WITH THE NAMES OF ALL RESIDENT LEGALLY QUALIFIED MEDICAL PRACTITIONERS, OF NEW SOUTH WALES, QUEENSLAND, SOUTH AUSTRALIA, VICTORIA, WESTERN AUSTRALIA, TASMANIA, NEW ZEALAND, FIJI, SAMOA, NEW HEBRIDES, SOLOMON ISLANDS, COOK ISLANDS, TONGA, AND NEW GUINEA.

* * The numbers after each town denote the population ; t., of town ; and d., of district.

* * Lady Practitioners have *lady* (in italics) after their names, and those Practitioners, who are not engaged in private practice, the words *Hosp.*, *Asyl.*, *Univ.*, &c., being the respective institutions they are connected with.

☞ SPECIALISTS IN THE LARGER TOWNS HAVE THEIR SPECIALITY DENOTED AFTER THEIR NAMES.

Miles from Sydney.	Direction.	NEW SOUTH WALES.

INSURANCE THAT INSURES.

The New York Life Insurance Company is the only one in the World that will issue you a Policy showing your exact position every year from the 1st to the 20th.

A POLICY

With the single condition that if you pay the Premiums the Company will pay the Insurance.

A POLICY

Automatically non-forfeitable from date of issue.

A POLICY

With a guaranteed additional return, in event of death during its currency, equal to at least one-half of the Annual Premiums paid.

A POLICY

With the privilege of Cash Loans, after 2 years, at 5 per cent. interest.

A POLICY

With no restrictions whatever respecting occupation, residence, travel, habits of life, or manner of death.

A POLICY

With six options of settlement at the end of 10, 15, or 20 years.

Ledger are the best for Practitioners in Australasia.

REMEMBRANCER FOR THE SIGNING OF CERTIFICATES IN LUNACY.

BASED ON THE LUNACY ACTS IN FORCE IN AUSTRALIA, TASMANIA
AND NEW ZEALAND.

** * Some of the following Provisions refer only to the Provinces mentioned specifically.*

REMEMBER that an insane person can only be detained in an Hospital for the Insane or Licensed House on *two* medical certificates, though in South Australia, Tasmania and Western Australia *one* certificate is sufficient in the case of *Pauper* Lunatics. (No Medical Certificates are required in any case where any person has been found insane by proceedings in the Court, and admitted to an Hospital for the Insane by an order signed by a Judge.)

REMEMBER that in cases of emergency a patient may be received into an Hospital for the Insane or Licensed House on the certificate of one medical practitioner, provided that the special circumstances preventing the patient being examined before admission, separately, by two practitioners are set forth in the statement, and that *two* other medical certificates be lodged with the superintendent of the Asylum within three clear days of the reception of such person into an Asylum in South Australia, Victoria, Western Australia and New Zealand; in Tasmania only one other medical certificate must be delivered within fifteen days after the reception of the patient, and in New South Wales and Queensland before the transfer of the patient from the Reception House or Public Hospital or Gaol to the Asylum takes place.

REMEMBER that the two medical practitioners who sign certificates in lunacy must have separately and personally examined such insane person.

REMEMBER to specify in the certificate the facts upon which you have formed your opinion as to the insanity of the patient.

REMEMBER that you must distinguish in the certificate all facts observed by yourself from facts communicated to you by others.

REMEMBER that no person can be received into any Hospital for the Insane under any certificate containing only facts communicated by others.

REMEMBER that every certificate by a medical practitioner must bear the date when it was signed, and also the date of his last examination of the lunatic, because no patient can be received into an Hospital for the Insane under an order more than ten days on Request and twenty-eight days on order after the date of the medical examination in New South Wales, ten days in Tasmania, fourteen days in Queensland, and seven days in the remaining provinces.

REMEMBER that you can amend your certificate, if required, in New South Wales and Queensland within twenty-eight days, in Victoria and Western Australia within fourteen days, in Tasmania within thirty days, and in New Zealand within twenty-one days after the reception of the patient into any Hospital for the Insane, subject to the approval of the Inspector-General in New South Wales, in Tasmania with the sanction of at least two Commissioners, in Western Australia with the sanction of one or more of the Visitors, and in the remaining provinces subject to the written approval of the Minister.

REMEMBER that in Queensland the Justices calling you to their assistance in the case of any person suspected to be insane must, before you examine the patient, furnish you with a written statement of all the information previously obtained with respect to the condition of such person.

REMEMBER that in Victoria and New Zealand every medical certificate must be accompanied by a statement in writing of the previous treatment of the patient referred to in the certificate.

REMEMBER that you cannot sign any certificate, if you have signed the order, or if your father, brother, son, or partner, or assistant have signed the order or one of the certificates for the reception of the same patient into an Hospital for the Insane.

REMEMBER that you cannot sign any certificate if you or your father, brother, son, or partner or assistant, is a regular medical attendant at an Hospital for the Insane, or has any interest whatsoever in any Hospital for the Insane.

REMEMBER that if you sign a certificate contrary to any of these provisions, or without having seen and carefully examined the patient, you will be liable to a penalty up to fifty pounds in New South Wales, Victoria, and Queensland, and up to twenty pounds in South Australia, Tasmania, and Western Australia; in New Zealand you are liable to a penalty not exceeding fifty pounds, or, at the discretion of the Justices, to imprisonment not exceeding six months.

REMEMBER that if you wilfully sign a certificate that any person is insane, knowing such person not to be insane, you are guilty of a misdemeanour.

REMEMBER that if you sign a medical certificate in lunacy, and you are not a medical practitioner within the meaning of the Act, you are guilty of a misdemeanour.

REMEMBER that in New South Wales and Queensland a medical practitioner, after attending any insane person in private houses for one year, must then notify such case to the Minister, enclosing a medical certificate setting forth the condition of such patient and the reasons which render it desirable that such person should remain under private care, and if the medical practitioner, attending on the patient beyond that period, wilfully neglects to disclose the condition of such person to the Minister, he becomes liable to a penalty not exceeding two hundred pounds, or to imprisonment not exceeding three months.

If you have no printed form, or cannot obtain one, write a medical certificate according to the following form :—

MEDICAL CERTIFICATE.

I, the undersigned, being a medical practitioner in actual practice, hereby certify that I, on the _____ day of _____, one thousand nine hundred and _____, at [*Here insert the particulars of the place of examination, and the name of the city, town, or place, and the street, number of the house, or other particulars; where more than one medical certificate is required, add separately from any other medical practitioner*] personally examined A.B., of [*Insert residence and profession and occupation, if any*], and that the said A.B. is insane [*or an idiot*], and a proper person to be taken charge of and detained under care and treatment, and that I have formed this opinion upon the following grounds, viz. :

1. Facts indicating insanity observed by myself [*Here state the facts*].
2. Other facts (if any) indicating insanity communicated to me by others [*Here state the information, and from whom*].

Dated this

M.D.,

*day of

, 19 .

Place of abode.

*The day of his examination.

STATEMENT

which must accompany every medical certificate in New Zealand and Tasmania, and in the other colonies in all cases of emergency :—

*Name of patient, with Christian name at length; sex and age; married, single, or widowed; condition of life and previous occupation (if any); the religious persuasion as far as known; previous place of abode; whether first attack; age (if known) on first attack; when and where previously under care and treatment; duration of existing attack; supposed cause; whether subject to epilepsy; whether suicidal; whether dangerous to others; whether found lunatic by inquisition and date of commission, or order for inquiry; name of one or more of the relations of the patient (if possible); special circumstances (if any) preventing the patient being examined before admission, separately, by two medical practitioners.

M.D.

**(If any of the particulars in this Statement be not known, the fact to be so stated).*
